

## **Captor's First California Investment Shows Impressive Revenues in the First Quarter of Recreational Sales of Cannabis in California**

TORONTO, April 09, 2018 -- Captor Capital ("CPTR" or the "Company") (CSE:CPTR) (FRANKFURT:NMV) (OTC:NWURF) announced today that I-5 Holdings Ltd. ("I-5 Holdings") had gross revenues of US\$7.57 million (CDN\$9.67 million) from its two southern California dispensaries in the three-month period ended March 31, 2018. Captor entered into a definitive purchase agreement to acquire all of the outstanding shares of I-5 on February 16, 2018, the closing of which is in escrow pending the satisfaction of certain outstanding conditions precedent that Captor expects to occur shortly.

"We are now seeing our first investment target in the California cannabis industry produce some very impressive revenue numbers," said Captor President John Zorbas. Mr. Zorbas continued, "Our intention is to continue with our strategic focus of making investments in high-end cannabis retail stores and cultivation facilities in California as demonstrated by Captor's recently announced proposed investment in Growth Network Solutions, which owns two southern California dispensaries, a 45,000 square foot cultivation facility and 29.5 acres of land on which it intends to build a 500,000 square foot cultivation facility."

Founder and CEO of I-5 Holdings John MacPhail said, "We are pleased to see such strong revenue numbers from our dispensaries in the first quarter of recreational cannabis sales in California." Mr. MacPhail added, "I attribute this success to our highly skilled and experienced team at I-5, along with Captor's continued investment support."
