

SOL GLOBAL INVESTMENTS CORP. ACQUIRES 10.22% EQUITY STAKE IN CAPTOR CAPITAL CORP.

Captor Capital Corp. owns 51% of One Plant California

Sol Global's average-cost-base on Captor Capital Corp. is approximately \$0.83 per share

April 12, 2021 (Toronto, Ontario) – SOL Global Investments Corp. (“**SOL Global**” or the “**Company**”) (CSE:SOL) (OTCPK:SOLCF) (Frankfurt:9SB) announces that it has acquired more than 10% of the issued and outstanding Common Shares (“**Common Shares**”) of Captor Capital Corp. (“**Captor**”) (CSE:CPTR) through the facilities of the Canadian Securities Exchange (“**CSE**”).

“Captor owns a 51% interest in One Plant California which operates six (6) retail stores in California at the moment”, said Andrew DeFrancesco, Chairman and Chief Executive Officer of SOL Global. “We are big believers in California cannabis, especially at the premium retail level. As founders of One Plant Florida, we are beyond confident in what can be achieved in California given the experienced team leading the charge.”

On April 6, 2021, SOL Global acquired 67,000 Common Shares at a price of \$1.20 per Common Share through the facilities of the CSE for total consideration of \$81,219.00 (the “**Transaction**”). Immediately before the completion of the Transaction, SOL Global owned 3,790,500 Common Shares, representing approximately 9.84% of the issued and outstanding Common Shares on a non-diluted basis. Following the completion of the Transaction and all subsequent acquisitions of Common Shares by the Acquiror on April 6, 2021 and April 7, 2021, SOL Global now owns 3,938,200 Common Shares, representing approximately 10.22% of the issued and outstanding Common Shares on a non-diluted basis. SOL Global's average-cost-base on Captor is \$0.83 per Common Share.

The completion of the Transaction, together with all subsequent acquisitions of Common Shares by the Acquiror on April 6, 2021 and April 7, 2021, resulted in a 0.38% increase in the Company's security holding percentage of the issued and outstanding Common Shares.

The Company acquired the securities reported herein for investment purposes. The Company may, depending on market and other conditions, increase or decrease its beneficial ownership in Captor's securities, whether in transactions over the open market, by privately negotiated arrangements or otherwise, subject to a number of factors, including general market conditions and other available investment and business opportunities.

Cautionary Statements

This press release contains "forward-looking information" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking information. In some cases, forward-looking information can be identified by words or phrases such as "may", "will", "expect", "likely", "should", "would", "plan", "anticipate", "intend", "potential", "proposed", "estimate", "believe" or the negative of these terms, or other similar words, expressions and grammatical variations thereof, or statements that certain events or conditions "may" or "will" happen, or by discussions of strategy. The forward-looking information contained in this press release includes, without limitation, information relating to the Company's investment plans.

Forward-looking information is based upon certain material assumptions that were applied in drawing a conclusion or making a forecast or projection, including management's perceptions of historical trends, current conditions and expected future developments, as well as other considerations that are believed to be appropriate in the circumstances. While we consider these assumptions to be reasonable based on information currently available to management, there is no assurance that such expectations will prove to be correct.

By their nature, forward-looking information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. A variety of factors, including known and unknown risks, many of which are beyond our control, could cause actual results to differ materially from the forward-looking information in this press release including the inability or failure of the Company's portfolio companies to execute their business and strategic plans as contemplated or at all, changes in national or regional economic, legal, regulatory and competitive conditions and a resurgence in the COVID-19 pandemic.

Other risk factors include: the risks resulting from investing in the US marijuana industry, which may be legal under certain state and local laws but is currently illegal under U.S. federal law; the risks of investing in securities of private companies which may limit the Company's ability to sell or otherwise liquidate those securities and realize value; reliance on management; the ability of the Company to service its debt; the Company's ability to obtain additional financing from time to time to pursue its business objectives; competition; litigation; inconsistent public opinion and perception regarding the medical-use and adult-use marijuana industry; and regulatory or political change. Additional risk factors can also be found in the Company's current MD&A, which has been filed on SEDAR and can be accessed at www.sedar.com. Readers are cautioned to consider these and other factors, uncertainties and potential events carefully and not to put undue reliance on forward-looking information.

The forward-looking information contained herein is made as of the date of this press release and is based on the beliefs, estimates, expectations and opinions of management on the date such forward-looking information is made. The Company undertakes no obligation to update or revise any forward-looking information, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.
