INFORMATION CIRCULAR

INFORMATION PROVIDED AS AT MAY 19, 2011 FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 23, 2011 (THE "MEETING").

PERSONS MAKING THE SOLICITATION

This information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by management of Quinsam Capital Corporation (the "Corporation") for use at the Meeting, and at any adjournments thereof at the time and place and for the purposes set forth in the notice of meeting dated May 24, 2011 (the "Notice of Meeting").

It is expected that the solicitation will be primarily by mail. Proxies may also be solicited personally by officers of the Corporation at nominal cost. The cost of this solicitation will be borne by the Corporation. The Notice of Meeting, form of proxy (the "**Proxy**") and this Information Circular will be mailed to beneficial owners of common shares of the Corporation commencing on or about May 30, 2011. In this Information Circular, except where otherwise indicated, all dollar amounts are expressed in Canadian currency.

APPOINTMENT OF PROXYHOLDERS

The persons named in the accompanying Proxy as proxyholders are management's representatives. A shareholder of the Corporation desiring to appoint some other person (who need not be a shareholder of the Corporation) to represent him or her at the Meeting may do so, either by striking out the printed names and inserting the desired person's name in the blank space provided in the Proxy or by completing another proper Proxy and, in either case, delivering the completed Proxy to the office of Computershare Trust Company of Canada, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournments thereof.

REVOCABILITY OF PROXY

Any shareholder of the Corporation returning the enclosed Proxy may revoke the same at any time insofar as it has not been exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited at the registered office of the Corporation, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or with the chairperson of the Meeting prior to the commencement of the Meeting.

VOTING OF PROXIES

If the Proxy is completed, signed and delivered to the Corporation, the persons named as proxyholders therein shall vote or withhold from voting the shares in respect of which they are appointed as proxyholders at the Meeting, in accordance with the instructions of the shareholder of the Corporation appointing them, on any show of hands and or any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the persons appointed as proxyholders shall vote accordingly. The Proxy confers discretionary authority upon the persons named therein with respect to all other matters which may properly come before the Meeting or any adjournments thereof. As of the date of this Information Circular, the board of directors of the Corporation knows of no such amendments, variations or other matters to come before the Meeting, other than matters referred to in the Notice of Meeting. However, if other matters should properly come before the Meeting, the Proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the Proxy.

If no choice is specified by a shareholder of the Corporation with respect to any matter identified in the Proxy or any amendment or variation to such matter, it is intended that the person designated by management in the Proxy will vote the shares represented thereby in favour of such matter.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are "non-registered shareholders" because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a depository (such as The Canadian Depository for Securities Limited ("**CDS**")) of which the Intermediary is a participant. In accordance with the requirements of applicable securities laws, the Corporation has distributed copies of the Notice of Meeting, this Information Circular, the Proxy and a supplemental mailing list return card (collectively, the "**Meeting Materials**") to the depositories and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deliver it to the offices of the Corporation; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders and insert the Non-Registered Holder's name in the blank space provided, or in the case of a proxy authorization form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Corporation's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Corporation, no proposed nominee for election as a director of the Corporation, none of the persons who have been directors or executive officers of the Corporation since the commencement of the Corporation's last completed financial year, none of the other insiders of the Corporation and no associate or affiliate of any of the foregoing persons has any substantial interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the meeting other than the election of the directors..

CORPORATE GOVERNANCE MATTERS

The Corporation's board of directors (the "**Board**") is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Instrument 58-101 (which is entitled "Disclosure of Corporate Governance Practices") provides that the corporate governance disclosure required by Form 58-101F2 must be included in this Information Circular. The following addresses the items identified in Form 58-101F2.

Board of Directors

A director is considered "independent" if he has no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. The Board consists of three persons, two of whom are independent and one of whom have been determined to not be independent. Steinley and Beer are independent. Zanatta (who is President and Chief Executive Officer of the Corporation), is not independent of the Corporation.

The Board facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board and by maintaining a majority of independent directors on the Board and on each committee of the Board.

Directorships

None of the directors are presently directors of other issuers that are reporting issuers (or the equivalent).

Orientation and Continuing Education

Due to the early stage of development of the Corporation, no formal program currently exists for the orientation of new directors. Likewise, no formal continuing education program currently exists for the Corporation's directors. Each of the Corporation's directors has the responsibility for ensuring that he maintains the skill and knowledge necessary to meet his obligations as a director.

Ethical Business Conduct

The Board expects management to operate the business of the Corporation in a manner that enhances shareholder value and is consistent with the highest level of integrity. Directors of the Corporation who are a party to, or are a director or an officer of a person who is a party to, a material contract or material transaction or a proposed material contract or proposed material transaction, are required to disclose the nature and extent of their interest and not to vote on any resolution to approve the contract or transaction.

Nomination of Directors

Due to the early stage of development of the Corporation, the Board has not identified a formal process for identifying new candidates for Board nomination.

Compensation

Compensation of the Corporation's CEO was reviewed by the Corporation's Compensation Committee which makes recommendations to the Board of Directors. The Board is responsible for approving all compensation arrangements for executive officers and directors.

Assessments

The Board monitors but does not formally assess the performance of the Board, its committees and individual Board members. To date, the Board has satisfied itself, through informal discussions, that the Board, its committees and individual Board members are performing effectively.

Other Matters

Management of the Corporation is not aware of any other matters to come before the Meeting other than as set forth in the Notice of Meeting that accompanies this Information Circular. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the shares represented thereby in accordance with their best judgment on such matter.
