

Quinsam Capital Closes \$394,500 Non-Brokered Private Placement

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

Toronto, Ontario – December 11, 2014 – Quinsam Capital Corporation (CSE: QCA) (“Quinsam” or the “Company”) announces that it has closed the non-brokered private placement financing announced on November 17, 2014, for gross proceeds of \$394,500, through the sale of 2,630,000 common shares (“Shares”) at a price of \$0.15 per share (the “Offering”). After closing of the Offering, Quinsam has a total of 26,857,660 Shares outstanding on a fully-diluted basis.

The proceeds of the Offering will be used to make strategic investments in emerging growth companies and for general working capital purposes.

“Market conditions have been very difficult in recent months” said Roger Dent, CEO of Quinsam. “While volatility is currently high, we are seeing many situations where securities appear to us to be mispriced by the market. We will deploy these funds into situations where we expect to see a so-called ‘January effect’”.

The Shares issued pursuant to the Offering will be subject to a statutory four month and one day hold period. In connection with the Offering, the Company paid a cash finder’s fee to qualified arm’s length persons in the amount of \$9,090.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities will not be registered under the United States Securities Act of 1933, as amended, (the “U.S. Securities Act”) or any state securities laws and may not be offered or sold within the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
