Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person's name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of Computershare, at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.**

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (i) completing and signing a proxy bearing a later date and depositing it at the offices of Computershare, 8th floor, 100 University Avenue, Toronto, Ontario M5J 2Y1;
- (ii) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney either with Computershare at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or
- (iii) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Common Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("**CDS**")) of which the Intermediary is a participant. In accordance

with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Annual General Meeting of Shareholders, this Circular, the form of proxy and a request card for interim and annual materials (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**voting instruction form**”) which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Shareholder who receives a voting instruction form cannot use that form to vote his or her Common Shares at the Meeting;** or
- (ii) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare at the address provided herein.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the voting instruction form and insert the Non-Registered Shareholder or such other person’s name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting.

How to Vote – Beneficial Shareholders

1. Your nominee is required to ask for your voting instructions before the Meeting, and you should contact your nominee if you did not receive a request for voting instructions or a proxy form with this Circular.

3. Less frequently, you will receive a proxy form signed by the nominee that is restricted as to the number of shares beneficially owned by you, but is otherwise incomplete. If you receive a proxy form, you should complete and return it in accordance with the directions on the proxy form to the Corporation, c/o Computershare Investor Services Inc., 8th floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, Fax: 1.866.249.7775.

3. If appointed as proxyholder, a beneficial Shareholder will be asked to register his or her attendance at the Meeting and may vote at the Meeting on votes conducted by show of hands or by ballot.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed herein, no director or executive officer of the Corporation who has held such position at any time since the beginning of the Corporation’s last financial year, each proposed nominee for election as a director of the Corporation, and associates or affiliates of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation's executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation's Chief Executive Officer, Chief Financial Officer, and, if applicable, its three most highly compensated individuals acting as, or in a like capacity as, executive officers of the Corporation whose total compensation for the most recently completed financial year was individually equal to more than \$150,000 (the "NEOs" or "Named Executive Officers"), during the Corporation's most recently complete financial year, being the financial year ended December 31, 2015 (the "Last Financial Year"). The only NEOs of the Corporation during the Last Financial Year were Roger Dent, the Chief Executive Officer of the Corporation, Eric Szustak, President and Secretary of the Corporation, and Bryan Knebel, the Chief Financial Officer of the Corporation.

Compensation Committee

The compensation & nominating committee of the Board ("**Compensation & Nominating Committee**") is currently comprised of three directors, namely Michael Newman (Chairman), Roger Dent and Mark Steinley, all of whom are independent within the meaning of Canadian Securities Administrator's National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**") other than Roger Dent, who is an officer of the Corporation.

The Compensation & Nominating Committee's purpose is, among other things, to: (i) review and make recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans (including the Corporation's incentive stock option plan) and grants, and benefit plans; (ii) have the sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention; (iii) review and approve at least annually all compensation arrangements with the senior executives of the Corporation; (iv) review and approve at least annually all compensation arrangements with the directors of the Corporation; and (v) review the executive compensation sections disclosed in the Corporation's management proxy circular distributed to the Shareholders in respect of the Corporations annual meetings of Shareholders.

Compensation Process

The Board relies on the knowledge and experience of the directors thereon and the members of the Compensation & Nominating Committee to set appropriate levels of compensation for senior officers. Neither the Corporation nor the Board, nor the Compensation & Nominating Committee, currently has any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer compensation.

The Compensation & Nominating Committee reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary, consulting fees and prior awards under the Corporation's stock option plan) and recommends to the Board the NEOs' compensation packages. The Compensation & Nominating Committee's recommendations regarding NEO compensation are presented to the independent members of the Board for their consideration and approval.

Principles/Objectives of the Compensation Program

The primary goal of the Corporation's executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Corporation's senior officers is determined with regard to the Corporation's business strategy and objectives and financial resources, and with the view of aligning the financial interests of the senior officers with the financial interests of the shareholders of the Corporation.

Compensation Program Design and Analysis of Compensation Decisions

Standard compensation arrangements for the Corporation's senior officers are composed of the following elements, which are linked to the Corporation's compensation and corporate objectives as follows:

Compensation Element	Link to Compensation Objectives	Link to Corporate Objectives
Base Salary and/or Consulting Fees	Attract and Retain	Competitive pay ensures access to skilled employees necessary to achieve corporate objectives.
Stock Options	Motivate and Reward Align interests with shareholders	Long-term incentives motivate and reward senior officers to increase shareholder value by the achievement of long-term corporate strategies and objectives.

Performance and Compensation

The Corporation is an exploration stage mining company and does not expect to be generating revenues from operations in the foreseeable future. As a result, the use of traditional performance standards such as corporate profitability is not considered by the Board or Compensation Committee to be appropriate in the evaluation of corporate or NEO performance. The compensation of senior officers is based, in part, on trends in the mineral exploration industry as well as achievement of the Corporation's business plans. The Board did not establish any quantifiable criteria during the Last Financial Year with respect to base compensation payable or the amount of equity compensation granted to NEOs and did not benchmark against a peer group of companies.

Base Salaries and Consulting Fees

The Corporation is currently determining an appropriate compensation package with the aim of providing senior officers with base salaries or consulting fees which represent their minimum compensation for services rendered, or expected to be rendered. NEOs' base compensation will depend on the scope of their experience, responsibilities, leadership skills, performance, length of service, generally industry trends and practices competitiveness, and the Corporation's existing financial resources. Base salaries will be reviewed annually by the Compensation & Nominating Committee. During the Last Financial Year the Corporation did not pay a base salary or consulting fee to any of its NEOs or senior officers.

Stock Options

The grant of options pursuant to the Corporation's stock option plan is an integral component of the compensation arrangements of the senior officers of the Corporation. The Board believes that the grant of options to senior officers and common share ownership by such officers serves to motivate such officers to strive towards achievement of the Corporation's long-term strategic objectives, which will benefit all shareholders of the Corporation. Options are awarded to employees of the Corporation by the Board, based on the recommendations of the Compensation Committee. Decisions with respect to options granted are based upon the individual's level of responsibility and their contribution towards the Corporation's goals and objectives, and additionally may be awarded in recognition of the achievement of a particular goal or extraordinary service. The Board considers the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of options and the size of such grants. During the Last Financial Year, the Board granted 200,000 stock options to purchase Common Shares.

Director Compensation

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Other than described below, no individual set forth in the above table is, as at the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued while such individual was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued after such individual ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while such proposed director was acting in the capacity as director, chief executive officer or chief financial officer.

On May 21, 2104 GreenStar Agricultural Corporation (“GreenStar”) announced that a management cease trade order (“MCTO”) was ordered by the Ontario Securities Commission (“OSC”) following a hearing held on May 16, 2014. The hearing was held by the OSC as a result of GreenStar’s April 28 and May 6, 2014 announcements that it would be late in filing its audited annual financial statements for the fiscal year ended December 31, 2013 and related Management’s Discussion & Analysis and CEO and CFO certification of filings, following the issuance by the OSC of a temporary management cease trade order on May 5, 2014. On June 3, 2014, a temporary cease trade order was issued by the OSC against GreenStar. The OSC issued the order due to GreenStar’s delay in filing its audited financial statements for the year ended December 31, 2013 and unaudited interim financial statements of the Company for the three month period ended March 31, 2014, accompanying management’s discussion and analysis, and related CEO and CFO certifications, as required by Ontario securities law.

Mr. Newman was a director of GreenStar when the MCTO and cease trade orders were issued by the OSC. Mr. Newman resigned from the board of directors of GreenStar on September 25, 2014.

No individual set forth in the above table (or any personal holding company of any such individual) is, as of the date of this Circular, or has been within ten (10) years before the date of this Circular, a director or executive officer of any company (including the Corporation) that, while such individual was acting in that capacity, or within a year of

that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No individual as set forth in the above table (or any personal holding company of any such individual) has, within the ten (10) years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such individual.

Other than described below, no individual set forth in the above table (or any personal holding company of any such individual) has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

On December 17, 2001, Roger Dent entered into a settlement agreement with the OSC in relation to perceived conflicts of interests among Yorktown Securities Inc., a registered broker and investment dealer, where Mr. Dent served as Director of Research and Vice Chairman from 1996 to 2002, and its issuer clients. Mr. Dent consented to the making of an order against himself and agreed to the following terms of settlement with the OSC: (i) voluntary payment to the OSC in the amount of \$50,000; (ii) payment to the OSC in the amount of \$10,000 in respect of costs associated in the matter against Mr. Dent; and (iii) a reprimand.

Other Matters

Management of the Corporation knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Circular. However, if any other matter properly comes before the Meeting, the form of proxy furnished by the Corporation will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

STATEMENT OF CORPORATE GOVERNANCE

Board of Directors

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Corporation. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board is currently comprised of six (6) directors being Roger Dent, Eric Szustak, Michael Newman, Mark Steinley, Ross Geddes and Anthony Roodenburg. Messrs. Newman, Steinley, Geddes and Roodenburg are independent within the meaning of NI 58-101. Messrs. Dent and Szustak are not independent as they are both officers of the Corporation and thereby have a “material relationship” with the Corporation.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they

may have an interest. In light of the suggestions contained in National Policy 58-201 – *Corporate Governance Guidelines*, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance.

Orientation and Continuing Education of Board Members

The Board, together with the Compensation & Nominating Committee is responsible for providing a comprehensive orientation and education program for new directors which fully sets out:

- the role of the Board and its committees;
- the nature and operation of the business of the Corporation; and
- the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments.

In addition, the Board, together with the Compensation & Nominating Committee, is also responsible for providing continuing education opportunities to existing directors so that individual directors can maintain and enhance their abilities and ensure that their knowledge of the business of the Corporation remains current.

Ethical Business Conduct

In addition to those matters which, by law, must be approved by the Board, the approval of the Board is required for:

- the Corporation's annual business plan and budget;
- material transactions not in the ordinary course of business; and
- transactions which are outside of the Corporation's existing business.

To ensure the directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest, all such matters are considered and approved by the independent directors. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

The Corporation believes that it has adopted corporate governance procedures and policies which encourage ethical behaviour by the Corporation's directors, officers and employees.

Nomination of Directors

The Compensation & Nominating Committee holds the responsibility for the appointment and assessment of directors.

The Compensation & Nominating Committee seeks to achieve a balance of knowledge, experience and capability among the members of the Board. When considering candidates for director, the Compensation & Nominating Committee takes into account a number of factors, including the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- Personal qualities and characteristics, accomplishments and reputation in the business community;
- Current knowledge and contacts in the countries and/or communities in which the Corporation does business and in the Corporation's industry sectors or other industries relevant to the Corporation's business; and
- Ability and willingness to commit adequate time to Board and committee matters, and be responsive to the needs of the Corporation.

The Board will periodically assess the appropriate number of directors on the Board and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, or the size of the Board is expanded, the Compensation & Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the Compensation & Nominating Committee through current directors or management, stockholders or other persons. These candidates will be evaluated at regular or special meeting of the Compensation & Nominating Committee, and may be considered at any point during the year.

Compensation

The Compensation & Nominating Committee assists the Board in its oversight role with respect to (i) the Corporation's global human resource strategy, policies and programs, and (ii) all matters relating to the proper utilization of human resources within the Corporation, with special focus on management succession, development and compensation.

The Compensation & Nominating Committee:

- reviews and makes recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans including the Plan and grants and benefit plans;
- has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention;
- reviews and approves at least annually all compensation arrangements with the senior executives of the Corporation;

- reviews and approves at least annually all compensation arrangements with the directors of the Corporation; and
- reviews the executive compensation sections disclosed in annual management proxy circular distributed to the shareholders in respect of the Corporation’s annual meetings of Shareholders.

Other Board Committees

The Board has no standing committees other than the Audit Committee, the Compensation & Nominating Committee and the Corporate Governance Committee.

Assessments

The Board does not consider formal assessments useful given the stage of the Corporation’s business and operations. However, the chairman of the Board meets annually with each director individually, which facilitates a discussion of his contribution and that of other directors. When needed, time is set aside at a meeting of the Board for a discussion regarding the effectiveness of the Board and its committees. If appropriate, the Board then considers procedural or substantive changes to increase the effectiveness of the Board and its committees. On an informal basis, the chairman of the Board is also responsible for reporting to the Board on areas where improvements can be made. Any agreed upon improvements required to be made are implemented and overseen by the Nominating Committee. A more formal assessment process will be instituted as, if, and when the Board considers it to be necessary.
