Toronto, Ontario – September 5, 2017 - Quinsam Capital Corporation (CSE: QCA) ("**Quinsam**" or the "**Company**") today updates its investors on matters relating to Canada House Wellness Group Inc (CSE:CHV).

Quinsam Congratulates Canada House Wellness Group Inc (CHV) on Receipt of Cultivation License

Quinsam wishes to congratulate the management of CHV as a result of CHV's announcement on September 1, 2017 that a subsidiary has received a license from Health Canada to commence cultivation of cannabis pursuant to the ACMPR regulations.

"This is a major milestone for CHV and we wish to congratulate management on this important achievement" said Roger Dent, CEO of Quinsam.

Gerry Goldberg, Interim Chief Executive Officer of CHV, stated that "We are pleased that Quinsam was able to join us as a strategic investor and help CHV reach this important milestone."

Update on CHV Investment

Concurrent with the release of Q2 earnings, Quinsam announced that it had made an investment in CHV. As a result of the rapid increase in the CHV share price last week, Quinsam wanted to provide additional details of its investment so that Quinsam investors can understand its impact on the Company.

On August 11, 2017, Quinsam invested \$150,000 in securities of CHV. At the time, CHV traded at \$0.15 per share. The investment was negotiated directly with CHV by Quinsam and included several features that have allowed Quinsam to secure a strong return as the CHV share price has climbed. The stock closed on Friday at \$0.235 after trading as high as \$0.305.

The Quinsam investment included a convertible debenture, warrants and shares. As at the close on Friday, our package of CHV securities had an aggregate intrinsic value that was approximately \$215,000 in excess of our cost base.
