

Quinsam Announces Appointment of Terry Booth – CEO of Aurora Cannabis – to the Board of Directors

TORONTO, Sept. 07, 2017 -- Quinsam Capital Corp. ("**Quinsam**" or the "**Company**") (CSE:QCA) is pleased to announce the appointment of Terry Booth to the Board of Directors of the Company.

Mr. Booth is the CEO & Founder of Aurora Cannabis Inc. ("**Aurora**") – one of Canada's preeminent licensed cannabis producers. Mr. Booth oversees Aurora's corporate strategy including operations, sales, patient acquisition, genetics development, regulatory affairs, facility expansion as well as communicating with capital markets and investors. Mr. Booth has served as President/CEO of six other highly successful companies where he developed his hands-on approach, leadership skills and developed a wealth of experience in government regulatory environments.

Roger Dent, CEO of Quinsam, commented, "Terry is the visionary and driving force behind one of North America's most successful cannabis companies. His real-world cannabis knowhow and relationships in the industry will help to ensure the execution of our strategy to build robust partnerships and effectively deploy capital within the cannabis space."

Terry Booth commented, "I am delighted to join the Quinsam board. Roger Dent has a long and successful career as an investor and money manager, and I am delighted to add to his team my business oriented cannabis experience. Along with the management team coming in with the High Standard acquisition, I believe Quinsam is positioned to become a significant force in the cannabis industry, and I'm looking forward to being a part of the team."

Update on High Standard Acquisition

Quinsam wishes to provide an update on its joint effort with High Standard Royalty Corp. ("**High Standard**") to form a cannabis focused specialty finance company. Quinsam's previously announced acquisition of High standard (please see press release dated May 10, 2017) is proceeding as planned with a view to entering into definitive purchase agreements and receiving applicable regulatory approvals in short order.

Quinsam continues to see an attractive opportunity to act as a strategic capital partner in the cannabis space and further develop its diversified portfolio of cannabis holdings. Quinsam's strategy is to generate attractive risk-adjusted returns by providing creative financing solutions to high-growth potential cannabis companies. Management believes that the acquisition of High Standard will provide the necessary cannabis-focused capital markets expertise and proprietary deal-flow to execute on that vision.
