

## **Quinsam Announces Dividend, Intent to Renew Issuer Bid & Update**

**NOT FOR DISSEMINATION IN THE UNITED STATES OR FOR DISTRIBUTION BY ANY UNITED STATES NEWS DISTRIBUTION SERVICE**

TORONTO, July 30, 2020 -- Quinsam Capital Corporation (CSE: QCA) ("Quinsam" or the "Company") is pleased to announce its quarterly dividend and the upcoming renewal of its issuer bid.

### **Dividend**

The Board of Directors of Quinsam has approved the company's 24th consecutive quarterly dividend. The dividend is \$0.00125 per share (\$0.005 per share per year). The distribution will be paid on August 26, 2020 to shareholders of record on August 10, 2020. This dividend will be designated as an "eligible dividend" for Canadian income tax purposes. Future quarterly dividends will be subject to Board approval.

### **Issuer Bid Update**

Quinsam announced a normal course issuer bid to purchase up to 5,733,635 of its common shares (the "Bid") in August 2019. The Bid commenced on August 28, 2019 and was to terminate on August 27, 2020, or on an earlier date in the event that the number of common shares sought in the Bid has been repurchased.

Quinsam has repurchased and cancelled 5,733,635 shares pursuant to the bid, exercising the bid in full. The shares were purchased at a large discount to NAV and the repurchases had a positive impact on NAV per share for remaining shareholders.

Quinsam is pleased to announce that it intends to proceed with a new normal course issuer bid to purchase up to 5,446,952 of its common shares (the "New Bid"). The Company is commencing the New Bid because it believes that the current market price of its common shares may not fully reflect the underlying value of the Company's business and future prospects. The Company believes that the repurchase of its common shares for cancellation is in the best interests of its shareholders because the Bid will increase the respective proportionate shareholdings and equity interests of all remaining shareholders. The Company has 108,939,058 common shares issued and outstanding. Under the terms of the New Bid, the Company may acquire up to 5,446,952 of its common shares, representing 5% of its issued and outstanding common shares. The Company will commence the New Bid on August 28, 2020. The Bid will terminate on August 27, 2021, or on an earlier date in the event that the number of common shares sought in the New Bid has been repurchased. The Company reserves the right to terminate the New Bid earlier if it feels that it is appropriate to do so. All common shares will be purchased on the open market through the facilities of the Canadian Securities Exchange ("CSE"), and payment for the common shares will be made in accordance with CSE policies. The price paid for the common shares will be the prevailing market price at the time of purchase. Purchases may be suspended at any time, and no purchases will be made other than by means of open market transactions during the term of the New Bid. The Company has engaged M Partners to act as the broker through which the New Bid will be conducted.

### **Update**

Quinsam is now preparing its Q2/2020 financial statements. The company expects to complete its work and release results in mid-August to late August.

Market conditions have been extremely volatile in recent months. That being said, since we released our March 31, 2020 results, conditions for cannabis-related and small cap stocks have on balance been positive. While we have not completed the valuation work on all of our unlisted equity investments, we currently expect to report a positive Q2 result. Among our public company holdings, some of which have been liquidated, strong performers for us in recent months include CityView Green, Newlox Gold, IM Cannabis, Pharmadrug, Sixth Wave Innovations, Therma Bright and Empower Clinics. While our private holdings have not seen many liquidity events to date in 2020, a number of companies plan on liquidity events in the near term including Molecule, Eden Empire and Ikanik Farms.

"While market conditions are highly unsettled due to COVID-19 and related economic factors, we currently have a positive outlook. We think that the unsettled and volatile conditions will provide interesting opportunities for those willing to take measured risks," said Roger Dent, CEO of Quinsam.
