Toronto, Ontario – November 4, 2024 – King Global Ventures Inc. (CSE: KING) (OTC: KGLDF) (FSE: 5LM1) (the "Company" or "King Global") is pleased to announce that it has entered into an agreement with a private Arizona company to acquire 10% of the private town of Cleator Arizona, located in the historic Black Canyon mining district of Arizona, approximately a 90 minute drive north of Phoenix for US\$500,000, to be satisfied by the issuance of units at \$0.35, each unit consisting of one common share and one share purchase warrant exercisable for 2 years at \$0.50.

Cleator, Arizona a once-thriving mining town established in the late 19th century, is part of the Bradshaw Mountain mining boom. "Cleator offers a rare opportunity to blend history with significant modern-day potential," said Jason Campbell, a new board member of King Global and the sheriff of Cleator.

Ben Hudye, the Chairman of King emphasized, "Our team is committed to reviving Cleator's rich mining history and community centre. Our goal is to bring real value not only to our shareholders but also to the communities where we operate. We are very excited about helping to develop Cleator as a modern day, ghost town.

The closing of the transaction is subject to a number of usual conditions, including due diligence, receipt of an appraisal from a qualified valuator, board approval and Canadian Securities Exchange approval.

This transaction falls into the related party transaction category, as three of the shareholders of the vendor are insiders and directors of the Company. The Company has relied on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(a) of MI 61-101 in respect of such insider participation. In addition, the related party directors have recused themselves from all board discussions and decisions in relation to this potential transaction.
