Toronto, Ont. February 13, 2018 – UpSnap Inc. (CSE: UP) ("UpSnap" or the "Company"), a leading provider of mobile advertising solutions, is pleased to announce the launch of its new UpSnap Direct website, enabling advertisers to sign up for intent-based direct mail campaigns using UpSnap' s proprietary Intentional Direct Mail ("IDM") service.

Using Intentional Direct Mail technology, advertisers are able to expand their audience by identifying previously anonymous site visitors and sending a personalized postcard to their residence within days of their site visit.

"We are actively engaged in helping our advertisers turn browsers into buyers by shifting the expressed interest of those visiting their site into a sale," said Bruce Howard, CEO of UpSnap. "The value proposition created with UpSnap Direct is abundantly clear to advertisers and we're optimistic about the opportunity this technology provides us."
