CERTIFICATE of AUTHOR

I, Jennifer J. Brown, do hereby certify that:

1. I am currently employed as a Principal Geologist by Lowham Walsh LLC at:
205 South Third Street
Lander, Wyoming USA 82520
2. I am a graduate of the University of Montana with a Bachelor of Arts in Geology (1996), and I have practiced my profession continuously since 1997.
3. I am a licensed Professional Geologist in the States of Wyoming (PG-3719) and Idaho (PGL-1414), and am a Registered Member in good standing of the Society of Mining, Metallurgy and Exploration (#4168244RM) with recognized special expertise in geology and mining. I am also a member of the American Institute of Professional Geologists (MEM-0174)
4. I have worked as a geologist for a total of 14 years since graduation from university - as an employee of four separate engineering and geological consulting firms and the U.S.D.A. Forest Service.
5. I have read the definition of “qualified person” set out in National Instrument 43-101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a “qualified person” for the purposes of NI 43-101.
6. I am responsible for the preparation of the technical report titled “NI 43-101 Technical Report on the Polyhalite Resources and Updated Mineral Resource Estimate for the Ochoa Project”, dated November 25, 2011 (the “Technical Report”), and specifically responsible for Sections 7 through 12, and 15 as well as oversight and review of the Technical Report.
7. I have personally completed an independent review and analysis of the data and written information contained in this Technical Report.

¹ Lowham Walsh LLC is part of a group of companies, including Gustavson Associates that are controlled by Ecology and Environment, Inc.

8. I previously contributed to the preparation of the technical report on this property titled “NI 43-101 Technical Report on the Polyhalite Resources and Preliminary Economic Assessment of the Ochoa Project in Lea County, Southeast New Mexico,” dated August 19, 2009. I have previously worked on the Ochoa project as a consultant.
9. I am not aware of any material fact or material change with respect to the subject matter of the Technical Report that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.
10. I do not hold, nor do I expect to receive, any securities or any other interest in any corporate entity, private or public, with interests in the properties that are the subject of this report or in the properties themselves, nor do I have any business relationship with any such entity apart from a professional consulting relationship with the issuer, nor to the best of my knowledge do I have any interest in any securities of any corporate entity with property within a two (2) kilometer distance of any of the subject properties.
11. I have read National Instrument 43-101 and Form 43-101, and the Technical Report has been prepared in compliance with that instrument and form.
12. I consent to the filing of the Technical Report with any stock exchanges or other regulatory authority and any publication by them, including electronic publication in the public company files on the websites accessible by the public, of the Technical Report.

Dated this 25th day of November, 2011
