Toronto, Ontario--(Newsfile Corp. - June 6, 2024) - BELGRAVIA HARTFORD CAPITAL INC. (CSE: BLGV) ("**Belgravia Hartford**" or the "**Company**"), is pleased to announce that it intends to complete a non-brokered private placement of units of the Company (the "**Units**"), at a price of \$0.021 per Unit, for aggregate gross proceeds of up to \$400,000 (the "**Offering**").

Each Unit will consist of one common share in the capital of the Company (each, a "**Common Share**") and one Common Share purchase warrant of the Company (each, a "**Warrant**"). Each Warrant will entitle the holder thereof to purchase one further Common Share (each, a "**Warrant Share**") at a price of \$0.04 per Warrant Share for a period of 12 months after the closing date of the Offering.

The proceeds from the Offering will be used for general working capital purposes. It is intended there will be insider participation but the Offering will not result in a new insider nor control position being created, nor will the Offering materially affect control of the Company.

Mehdi Azodi President & CEO commented on the state of the company by saying: "Over the last year Belgravia has focused on the litigation affairs in order to monetize its Ochoa Royalty asset. The Company has completed all depositions and provided an expert report completed by FTI Consulting that highlights the significant lost opportunity for Belgravia, above and beyond the USD\$12.2M that remains owed. Belgravia has faced significant delay tactics, however, Belgravia's counsel Mr. Spencer L. Edelman of Modrall Spering Law Firm (Albuquerque, New Mexico) has navigated these issues and we are now preparing for trial."

Mehdi Azodi commented further, "The Belgravia family is saddened with the passing of former director Mr. Knute Lee Jr. who was a humble man of faith and love in all walks of his life. His dedication to the Ochoa project dates back to the inception of the Company and his fingerprints have been on IC Potash and Belgravia every step of the way."

The Offering is expected to close on or about June 18, 2024, or on any other date or dates as the Company may determine. Closing of the Offering is subject to certain conditions including, but not limited to, the receipt of all required regulatory approvals including the approval of the Canadian Securities Exchange (the "**CSE**"). The securities issued under the Offering will be subject to a statutory hold period of four months and one day following the date of issuance.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any securities in any jurisdiction in which such offer, solicitation, or sale would be unlawful. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**1933 Act**"), or any state securities laws and may not be offered or sold in the "United States" or to "U.S. persons" (as such terms are defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration requirements is available.
