Schedule "A"

Resinco® Capital Partners Inc. Releases March 2012 Unaudited Net Asset Value Per Share

April 20, 2012

TSX: RIN

FWB: L6V

Vancouver, BC – Resinco® Capital Partners Inc. ("Resinco") announces that it is publishing its net asset value (NAV) for the end of March 2012. As of March 30th, 2012 Resinco's unaudited NAV per share was \$0.124. The closing price of \$0.055 on March 30th, 2012 represents a 56% discount to the NAV.

Use of Non-GAAP Financial Measures

NAV is a non-GAAP financial measure calculated as the value of total assets less the value of total liabilities divided by the total number of common shares outstanding as at a specific date. The term NAV does not have any standardized meaning according to GAAP and therefore may not be comparable to similar measures presented by other companies. There is no comparable measure presented in Resinco's financial statements and thus no applicable quantitative reconciliation for such non-GAAP financial measure.

About Resinco® Capital Partners Inc.

Resinco (Resource Investment Company) is a global investment company that specializes in providing early stage financing to private and public exploration and mining companies in the hard rock minerals, precious metals, rare-earth minerals, oil, gas, water and renewable energy markets.
