

Resinco® Capital Partners Inc. adds Director

February 27, 2014

TSXV: RIN

FWB: L6V

Vancouver, BC – Resinco® Capital Partners Inc. ("Resinco") is pleased to announce the appointment of Scott Close, M.Sc., P. Geo. as a director of Resinco.

Mr. Close combines superior technical proficiency harnessed to a broad range of historical experience which enables him to deliver insightful evaluations and value enhancement strategies for his client's projects resulting in optimal enterprise value enhancement for all stakeholders. Mr. Close is a highly motivated and energetic individual capable of managing multiple diverse projects.

Following graduation with a Masters' degree in Earth Science from Simon Fraser University in Burnaby, British Columbia, Mr. Close has been involved in a broad range of geologic exploration projects throughout North America and Australia. Mr. Close's academic research concentrated on structural geology and field mapping.

Mr. Close is President and Chief Geologist of Ethos Geological, Inc., a geological consulting firm providing worldwide technical analysis and logistics for the resource sector. Previous positions held by Mr. Close include a consulting position as the Exploration Manager of Romios Gold Resources' British Columbia projects until December of 2012, exploration geologist for NovaGold Inc., and several other consulting and exploration geology roles for the mining industry.

About Resinco® Capital Partners Inc.

Resinco (Resource Investment Company) is a global investment company that specializes in providing early stage financing to private and public exploration and mining companies in the hard rock minerals, precious metals, rare-earth minerals, oil, gas, water and renewable energy markets.
