Resinco® Capital Partners Inc. Releases February 2011 Net Asset Value

March 17, 2011 TSX: RIN
FWB: L6V

Vancouver, BC – Resinco® Capital Partners Inc. ("Resinco") announces that as per the press release dated February 18, 2011, it is publishing its net asset value (NAV) for the end of February, 2011. As of February 28th, 2011 Resinco's unaudited NAV per share was $0.19. The closing price of $0.14 on February 28th, 2011 represents a 26.3% discount to the NAV.

Use of Non-GAAP Financial Measures
NAV is a non-GAAP financial measure calculated as the value of total assets less the value of total liabilities divided by the total number of common shares outstanding as at a specific date. The term NAV does not have any standardized meaning according to GAAP and therefore may not be comparable to similar measures presented by other companies. There is no comparable measure presented in Resinco's financial statements and thus no applicable quantitative reconciliation for such non-GAAP financial measure.
