("Teslin") priced at \$0.10 per share and 3,125,000 common share purchase warrants ("Warrants") exercisable for a period of 2 years into an equal number of common shares at \$0.15 per Warrant provided however that in the event that the common shares of Teslin close for 20 consecutive trading days at a price of \$0.30 or above, Teslin shall have the right to require the conversion of the Warrants within 30 days of notice of same. All securities issued pursuant to the Financing are subject to a four month hold period expiring on November 16, 2011.
