Deer Horn Announces 1st Tranche Closing of Private Placement

Vancouver, BC, Canada, November 15, 2018 – Deer Horn Capital Inc. (CSE: DHC) (the “Company” or “Deer Horn”) announces that it has now completed a 1st tranche closing of its previously announced private placement and has issued a total of 400,000 units for aggregate gross proceeds of \$80,000. Each unit is comprised of one common share and one common share purchase warrant. Each whole warrant is exercisable into one common at a price of \$0.25/share for a period of one year.

About Deer Horn

Deer Horn is exploring and developing the Deer Horn Property, a rich gold and silver project with high tellurium grades. The Deer Horn Property, located in north-central British Columbia, has produced positive economics in a Preliminary Economic Analysis and, to our knowledge, hosts Canada’s only NI 43-101 tellurium resource.

Forward-looking information

All statements included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements. These forward-looking statements involve numerous assumptions made by the Company based on its experience, perception of historical trends, current conditions, expected future developments and other factors it believes are appropriate in the circumstances. These assumptions include, but are not limited to: future costs and expenses being based on historical costs and expenses, adjusted for inflation; and market demand for, and market acceptance of, the offering. In addition, these statements involve substantial known and unknown risks and uncertainties that contribute to the possibility that the predictions, forecasts, projections and other forward-looking statements will prove inaccurate, certain of which are beyond the Company’s control. Readers should not place undue reliance on forward-looking statements. Except as required by law, the Company does not intend to revise or update these forward-looking statements after the date hereof or revise them to reflect the occurrence of future unanticipated events.
