Vancouver, BC, Canada, March 13, 2020 – Deer Horn Capital Inc. (CSE: DHC) (the “Company” or “Deer Horn”), announces that it has closed the third and final tranche of its previously-announced private placement and has issued a further 3,050,000 units for aggregate proceeds of \$152,500. The Company has issued a total of 6,650,000 units for gross proceeds totaling \$332,500. Each unit is comprised of one common share and one common share purchase warrant, exercisable at \$0.10 per warrant share for a period of two years.

About Deer Horn Capital

Deer Horn Capital’s unique business model is to generate revenue and value through mineral discovery, project development, project generation and cooperative access to untapped mineral regions in First Nations territory with sustainable exploration.

Our polymetallic Deer Horn Project in British Columbia anchors a diversified search for metals, working in alliance with First Nations, NGOs, governments and leading metals buyers. We believe this is the future of mineral exploration: generating revenue by exploring responsibly and leveraging diverse partnerships.
