First Tellurium Engages Corporate Communications Consulting Firm

Enhanced outreach tools will increase news dissemination coverage

Vancouver, BC, Canada, July 5, 2023 – First Tellurium Corp. (CSE: **FTEL**, OTCQB: **FSTTF**) (the “Company” or “First Tellurium”), is pleased to report that it has engaged Investor Brand Network (“IBN”) to provide corporate communications consulting services for an initial period of three months. IBN is a multifaceted financial news and publishing company servicing private and public entities.

With 17+ years of experience assisting 500+ client partners improve communications within the investment community, and a sizable family of 60+ trusted brands, IBN has amassed a collective audience that includes millions of social media followers. IBN is uniquely positioned to provide First Tellurium with the solutions needed to reach a wide audience of investors, journalists and the general public.

About First Tellurium Corp.

First Tellurium’s unique business model is to generate revenue and value through mineral discovery, project development, project generation and cooperative access to untapped mineral regions in Indigenous territory with sustainable exploration.

Our Klondike tellurium-gold property in Colorado and polymetallic Deer Horn Project in British Columbia anchor a diversified search for metals, working in alliance with Indigenous peoples, NGOs, governments and leading metals buyers. This is the future of mineral exploration—generating revenue by exploring responsibly and leveraging diverse partnerships.

First Tellurium proudly adheres to, and supports, the principles and rights set out in the United Nations Declaration on the Rights of Indigenous Peoples and in particular the fundamental proposition of free, prior and informed consent. First Tellurium is listed on the Canadian Stock Exchange under the symbol “FTEL” and on the OTC under the symbol “FSTTF”. Further information about FTEL and its projects can be found on www.firsttellurium.com.

On behalf of the board of directors of
First Tellurium Corp.

Forward-looking information

All statements included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements. These forward-looking statements involve numerous assumptions made by the Company based on its experience, perception of historical trends, current conditions, expected future developments and other factors it believes are appropriate in the circumstances. In addition, these statements involve substantial known and unknown risks and uncertainties that contribute to the possibility that the predictions, forecasts, projections and other forward-looking statements will prove inaccurate, certain of which are beyond the Company's control. Readers should not place undue reliance on forward-looking statements. Except as required by law, the Company does not intend to revise or update these forward-looking statements after the date hereof or revise them to reflect the occurrence of future unanticipated event.
