

BIRD RIVER RESOURCES INC.
(THE "COMPANY")
MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management proxy circular is furnished in connection with the solicitation of proxies by the management of the Company for use at the annual and special meeting of shareholders of the Company (the "Meeting") to be held at the Canad Inn (Garden City), 2100 McPhillips Street (at Jefferson Avenue), Winnipeg, Manitoba on Thursday the 19th day of January, 2017 at 3:00 P.M. Central Standard Time and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

The solicitation of proxies will be primarily by mail, but may be by telephone or other personal contact by directors of the Company, such directors receiving no compensation therefor. In addition, the Company shall, upon request, reimburse brokerage firms and other custodians for their reasonable expenses in forwarding proxies and related material to beneficial owners of shares of the Company. The cost of solicitation of proxies will be borne by the Company.

APPOINTMENT OF PROXIES

The persons designated as proxyholders in the enclosed Form of Proxy are directors of the Company. **A shareholder has the right to appoint as proxyholder a person (who need not be a shareholder of the Company) to represent such shareholder at the Meeting, other than the persons designated as proxyholders in the enclosed Form of Proxy. A shareholder wishing to appoint some other person to represent such shareholder at the Meeting may do so by striking out the names of the persons designated and by inserting such other person's name in the blank space provided in the Form of Proxy or by submitting another appropriate Form of Proxy.**

To be valid, proxies must be received by Computershare Investor Services Inc. ("Computershare"), Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 prior to 5:00 p.m. Eastern Standard Time on Tuesday, January 17, 2017 or no less than 48 hours (excluding Saturdays, Sundays and holidays) prior to any adjournment of the Meeting, unless they are delivered to the Chairman of the Meeting at the Meeting, or any adjournment thereof.

REVOCABILITY OF PROXIES

A shareholder giving a proxy for use at the Meeting may revoke the proxy at any time prior to its use. In addition to revocation in any other manner permitted by law, a proxy may be revoked by depositing an instrument in writing executed by the shareholder or his or her attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company, at the above-mentioned office of Computershare Investor Services Inc., at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked.

VOTING OF SHARES

The persons named in the enclosed proxy will vote the shares in respect of which they are appointed in accordance with the instructions of the shareholder appointing them. **Unless otherwise indicated, the voting rights attaching to the shares represented by a Form of Proxy will be voted on all matters described herein.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments to matters identified in the Notice of Meeting and with respect to matters other than those identified in the Notice of Meeting which may properly come before the Meeting. As of the date hereof, the management of the Company is not aware that any such amendments, variations, or other matters are to be presented for action at the Meeting. **If any matters which are not now known to the management of the Company should properly come before the Meeting, then on any ballot that may be called for, the enclosed Form of Proxy will be voted on such matters in accordance with the best judgment of the person voting it.**

VOTING BY NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares of the Company, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, common shares of the Company beneficially owned by a holder (a "Non-Registered Shareholder") are registered either:

- (A) in the name of an intermediary (an "Intermediary") that the Non-Registered Shareholder deals with in respect of the shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered retirement savings plans, registered retirement income funds and registered educational savings plans and similar plans; or
- (B) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the notice of meeting, this management proxy circular, the form of proxy, financial statements for the year ended July 31, 2016, the related management's discussion & analysis (for the shareholders who have requested them) and a shareholder information request form (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (A) be given a proxy which has already been signed by the Intermediary (typically by facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder, but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Shareholder. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the Form of Proxy and deposit it with Computershare as described above; or
- (B) more typically, be given a voting instruction form that must be completed and signed by the Non-Registered Shareholder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting form by telephone or other means).

The purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the shares they beneficially own. Should a Non-Registered Shareholder who receives either a form of proxy, a proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the proxy and insert the Non-Registered Shareholder's name (or that of such other person) on the form. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries, including those regarding when, where and how the proxy or the proxy authorization form is to be delivered, and the instructions of their service companies.**

Non-Registered Shareholders who wish to vote their shares in person at the Meeting must insert their own name in the space provided on the request for voting instructions or proxy form, as the case may be, in order to appoint themselves as proxyholders and follow the signature and return instructions provided by their nominees. Non-Registered Shareholders who appoint themselves as proxyholders should present themselves at the Meeting to a representative of Computershare Investor Services Inc.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as specifically discussed in this management proxy circular, no director or senior officer, past, present or nominated hereunder, or any associate or affiliate of such persons, or any person on behalf of whom this solicitation is made, has any interest, direct or indirect, in any matter to be acted upon at the Meeting, except that such persons may be directly involved in the normal business of the Meeting or the general affairs of the Company, with the exception that certain directors and officers have been, or may in the future be, granted stock options.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only shareholders registered at the close of business on Tuesday, December 13, 2016 (the "Record Date") are entitled to receive notice of and to vote at the Meeting, unless after that date a shareholder of record transfers his shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he owns the shares, requests no later than 10 days before the Meeting that the transferee's name be included on the list of shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting. As of the Record Date, there were 10,570,225 common shares of the Company issued and outstanding, each of which is entitled to one vote at the Meeting.

To the knowledge of the directors and senior officers of the Company, the only persons or companies who beneficially own, directly or indirectly, or exercise control or direction over voting securities carrying more than 10% of the voting rights attached to all classes of voting securities of the Company are as follows:

Name	Number of Shares	Percentage Held

Stock option plans and other incentive plans

The Company has implemented a stock option plan to allow the Company to grant options to directors, officers, employees and service providers. An individual is classified as an employee when the individual is an employee for legal or tax purposes (direct employee) or provides services similar to those performed by a direct employee, including directors and officers of the Company. The maximum number of common shares which may be issued pursuant to those granted under the Company's stock option plan are limited to 1,892,000 common shares at a price determined by the Board of Directors. In addition, the number of options issued to any one individual may not exceed 5% of the issued common shares on a yearly basis. For any person providing ongoing services or employed in investor relations activities, the number of options granted may not exceed 2% of the issued common shares on a yearly basis.

Employment, consulting and management agreements

Management functions of the Company are not, to any substantial degree, performed by a person or persons other than the directors or senior officers of the Company.

Oversight and description of director and named executive officer compensation

The Board of Directors assumes, among other things, the obligations sometimes delegated to the compensation committee. The Board of Directors establishes executive and senior officer compensation, determines the general compensation structure, policies and programs of the Company, including the extent and level of participation in incentive programs. Executive officers do not vote with respect to compensation matters affecting them.

The Company's overall policy regarding compensation of the Company's executive officers is structured to provide competitive compensation levels and compensation incentives that support both the short-term and long-term goals of the Company, attract and retain suitable and qualified executive management, and establish a compensation framework which is industry competitive. The compensation program consists of the following three components:

Base compensation

Base compensation of executives are determined by referencing salary levels in the industry in which the Company operates. The Board of Directors reviews information drawn from a variety of sources, including proxy statements of competitive companies of comparable size and complexity, and, when appropriate, surveys conducted by compensation consultants. Criteria included in the determination of salary levels include the individual's experience level, the scope and complexity of the position held and salaries being paid for similar positions at other Canadian and United States companies of similar size.

Annual performance incentive

Bonuses may or may not be paid and are based on the achievement of corporate and individual performance objectives. Individual performance objectives are set at the beginning of the year and aligned with the Company's business plan.

Stock options

The stock option component of the executive compensation package is provided to focus management attention on corporate performance over a period of time longer than one year in recognition of long-term horizons for return on investments and strategic decisions. The level of stock option awards given to each executive is determined by his or her position, his or her potential future contributions to the Company and the number and terms of stock option awards previously granted to the executive. All stock option awards are reviewed by the Board of Directors. The Board of Directors determines a meaningful level of award for employees ranging from key employees to the Chief Executive Officer. The level of stock option awards is also influenced by the number of executives and key employees in the current year and the likelihood of grants in future years to executives and key employees since the total number of stock options available under the Company's Stock Option Plan is limited. The Plan shall not exceed the maximum number of Common Shares permitted under the rules of any stock exchange on which the Common Shares are then listed or of any other

regulatory body having jurisdiction, which maximum number is presently 1,892,000 Common Shares.

Pension plan benefits

No pension or retirement benefits plans have been instituted and none are proposed at this time.

Termination and change of control benefits

As at July 31, 2016, no payments, benefits or perquisites would be due to be paid to any Named Executive Officer upon any termination, resignation, retirement, change of control of the Company or change in responsibilities.

Compensation of directors

During the year ended July 31, 2016, directors of the Company were paid the amount of \$1,000 each for their services as directors for a total of \$6,000. There was no additional compensation for committee membership. Directors would also be eligible to receive a bonus in certain circumstances. Directors who are not officers would be entitled to receive compensation to the extent that they provide services to the Company at rates that would be charged by such directors for such services to arm's length parties.

constitution of its audit committee and its relationship with its external auditor as set forth below. The Audit Committee meets at least on an annual basis and audit committee issues are also discussed and recorded in the minutes at director's meetings.

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule "A" to this management proxy circular.

Composition of the Audit Committee

The Company's audit committee is comprised of two directors: Messrs. Edward Thompson and David Thom. As defined in NI 52-110, one of the audit committee members are "independent". Also as defined in NI 52-110, all of the audit committee members are "financially literate".

Relevant Education and Experience

The education and experience of each Audit Committee member that is relevant to the performance of his responsibilities are as follows:

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, the Company's Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Pre-Approval Policies and Procedures

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors and, where applicable, the audit committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years are as follows:

<u>Financial Year Ending</u>	<u>Audit Fees (\$)</u>	<u>Tax Fees (\$)</u>	<u>All Other Fees (\$)</u>	<u>Total (\$)</u>
July 31, 2016	18,000	2,340	-	20,340
July 31, 2015	18,450	2,398	-	20,848

Reliance on Certain Exemptions

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the Company's shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interests of its shareholders and contribute to effective and efficient decision-making. The Company believes that its corporate governance practices ensure that the business and affairs of the Company are effectively managed so as to enhance shareholder value.

Disclosure of Corporate Governance Practices

The Company has reviewed its own corporate governance practices in light of the guidelines contained in National Instrument 58-201 – *Corporate Governance Guidelines* ("NI 58-201"). The Company's practices comply generally with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore those guidelines have not been adopted. Set out below is a description of the Company's corporate governance practices as required by National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101").

Board of Directors

The Board has determined that three of its six directors proposed for election at the meeting are independent. An "independent" director is a director who is independent of management and free from any interest any business or other relationship that could, or could reasonably be perceived to materially interfere with the director's ability to act in the best interests of the Company, other than interests arising from shareholders. Messrs. Nelson Shodine, Jon Bridgman and Edward Thompson are not considered to be independent directors because they are officers of the Company.

Other Directorships

The following directors are currently directors of other reporting issuers or their equivalent in a domestic or foreign jurisdiction:

Messrs. Bridgman and Thom are presently the only directors of the Company that have directorships outside of the Company. Mr. Bridgman is currently on the board of directors of Aurquest Resources Inc. and E-Ventures Inc. Mr. Thom is currently on the board of directors of ZEOX Corporation and a number of other private companies.

Orientation and Continuing Education

At present, each new director is given an outline of the nature of the Company's business, its corporate strategy, and current issues with the Company. New directors are also required to meet with management of the Company to discuss and better understand the Company's business and policies. As each director has a different skill set and professional background, their orientation will be tailored to the particular needs and experience of each director.

All new directors are provided with an information package regarding the business of the Company which includes a copy

of the following materials: (a) the constating documents of the Company; (b) the latest management information circular and annual report including the annual financial statements; (c) all quarterly reports for the last financial year end; (d) any press releases or material change report for the last year; (e) the stock option plan of the Company; and (f) the Audit Committee Charter.

Continuing education is provided through relevant reading materials, board meeting presentations and discussions to ensure the directors maintain the knowledge and skill necessary to meet their obligations as directors. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board of Directors monitors the ethical conduct of the Company to ensure that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions, stock exchanges and the *Companies Act*. The Board of Directors believes that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and common law, as well as the restrictions placed by applicable corporate legislation on the individual directors' participation in decisions of the Board of Directors in which the director has an interest, have been sufficient to ensure that the Board of Directors operated independently of management and in the best interest of the Company.

The Board of Directors has not adopted a formal written code of business conduct and ethics.

The Board of Directors has adopted a "Whistleblower Policy" wherein employees, directors, officers or consultants of the Company are provided with a mechanism by which they can raise concerns through a confidential and anonymous process, which is overseen by the Chairman of the Audit Committee.

Nomination of Directors

The Company's Compensation, Corporate Governance and Nominating Committee have the responsibility to identify new director candidates and make recommendations to the board.

The Board recruits, nominates, and endorses the appointment of new Directors based on the needs of the Board. Generally, new nominees for Directors must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Company's Compensation, Corporate Governance and Nominating Committee have the responsibility to periodically review compensation issues and to report their findings along with their recommendations to the board. All executive compensation is approved by the Board of Directors. The compensation policy of the Company endeavors to provide incentive to management from the perspective of share ownership and share appreciation. Management expects that long term compensation will be primarily derived from the appreciation in the value of the common shares and options they hold. Management compensation is anticipated to consist of a small base salary, the entitlement to participate in a bonus program and incentives in the form of stock options granted pursuant to the Company's stock option plan. The Company has no executive pension plan.

Other Board Committees

The Company currently has two Board Committees: the Audit Committee and the Compensation, Corporate Governance and Nominating Committee. This latter committee is also responsible for encouragement of ethical business conduct and the assessment of the effectiveness of the board, its committees and its individual directors.
