

BIRD RIVER RESOURCES INC.
(THE "COMPANY")
MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular ("**Information Circular**") is furnished in connection with the solicitation of proxies by the management of the Company for use at the annual and general meeting of shareholders of the Company (the "**Meeting**") to be held at the offices of Garfinkle Biderman LLP, Suite 801, 1 Adelaide Street East, Toronto, Ontario on Thursday, March 28, 2019 at 2:00 p.m. and at any adjournment thereof, for the purposes set forth in the accompanying notice of meeting (the "**Notice of Meeting**").

The solicitation of proxies will be primarily by mail, but may be by telephone or other personal contact by directors of the Company, such directors receiving no compensation therefor. In addition, the Company shall, upon request, reimburse brokerage firms and other custodians for their reasonable expenses in forwarding proxies and related material to beneficial owners of shares of the Company. The cost of solicitation of proxies will be borne by the Company.

APPOINTMENT OF PROXIES

The persons designated as proxyholders in the enclosed form of proxy ("**Form of Proxy**") are directors of the Company. **A shareholder has the right to appoint as proxyholder a person (who need not be a shareholder of the Company) to represent such shareholder at the Meeting, other than the persons designated as proxyholders in the enclosed Form of Proxy. A shareholder wishing to appoint some other person to represent such shareholder at the Meeting may do so by striking out the names of the persons designated and by inserting such other person's name in the blank space provided in the Form of Proxy or by submitting another appropriate Form of Proxy.**

To be valid, proxies must be received by Computershare Investor Services Inc. ("Computershare"), 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 prior to 2:00 p.m. (Toronto time) on Tuesday, March 26, 2019 or no less than 48 hours (excluding Saturdays, Sundays and holidays) prior to any adjournment of the Meeting, unless they are delivered to the Chairman of the Meeting at the Meeting, or any adjournment thereof.

REVOCABILITY OF PROXIES

A shareholder giving a proxy for use at the Meeting may revoke the proxy at any time prior to its use. In addition to revocation in any other manner permitted by law, a proxy may be revoked by depositing an instrument in writing executed by the shareholder or his or her attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company, at the above-mentioned office of Computershare, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked.

VOTING OF SHARES

The persons named in the enclosed Form of Proxy will vote the shares in respect of which they are appointed in accordance with the instructions of the shareholder appointing them. **Unless otherwise indicated, the voting rights attaching to the shares represented by a Form of Proxy will be voted on all matters described herein.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments to matters identified in the Notice of Meeting and with respect to matters other than those identified in

the Notice of Meeting which may properly come before the Meeting. As of the date hereof, the management of the Company is not aware that any such amendments, variations, or other matters are to be presented for action at the Meeting. **If any matters which are not now known to the management of the Company should properly come before the Meeting, then on any ballot that may be called for, the enclosed Form of Proxy will be voted on such matters in accordance with the best judgment of the person voting it.**

VOTING BY NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares of the Company, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, common shares of the Company beneficially owned by a holder (a "**Non-Registered Shareholder**") are registered either:

- (A) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of the shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered retirement savings plans, registered retirement income funds and registered educational savings plans and similar plans; or
- (B) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular, the Form of Proxy, financial statements for the year ended July 31, 2018, the related management's discussion & analysis (for the shareholders who have requested them) and a shareholder information request form (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (A) be given a proxy which has already been signed by the Intermediary (typically by facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder, but which is otherwise uncompleted. This Form of Proxy need not be signed by the Non-Registered Shareholder. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the Form of Proxy and deposit it with Computershare as described above; or
- (B) more typically, be given a voting instruction form ("**VIF**") that must be completed and signed by the Non-Registered Shareholder in accordance with the directions on the VIF (which may in some cases permit the completion of the voting form by telephone or other means).

The purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the shares they beneficially own. Should a Non-Registered Shareholder who receives either a Form of Proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the Form of Proxy or VIF and insert the Non-Registered Shareholder's name (or that of such other person) on the form. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries, including those regarding when, where and how the VIF or the Form of Proxy is to be delivered, and the instructions of their service companies.**

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The directors and officers of the Company have an interest in the resolutions concerning the election of directors and the approval of the New Plan (as defined herein). Otherwise no director or officer of the Company or any associate of the foregoing has any substantial interest, direct or indirect, by way of beneficial ownership of shares

or otherwise in the matters to be acted upon at the Meeting, except for any interest arising from the ownership of shares of the Company where the shareholder will receive no extra or special benefit or advantage not shared on a pro rata basis by all holders of shares in the capital of the Company.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only shareholders registered at the close of business on Thursday, February 21, 2019 (the "**Record Date**") are entitled to receive notice of and to vote at the Meeting, unless after that date a shareholder of record transfers his shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he owns the shares, requests no later than 10 days before the Meeting that the transferee's name be included on the list of shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting. As of the Record Date, there were 116,002,334 common shares of the Company issued and outstanding, each of which is entitled to one vote at the Meeting.

To the knowledge of the directors and senior officers of the Company, the only persons or companies who beneficially own, directly or indirectly, or exercise control or direction over voting securities carrying more than 10% of the voting rights attached to all classes of voting securities of the Company are as follows:

Stock option plans and other incentive plans

The Company has implemented a stock option plan to allow the Company to grant options to directors, officers, employees and service providers. An individual is classified as an employee when the individual is an employee for legal or tax purposes (direct employee) or provides services similar to those performed by a direct employee, including directors and officers of the Company. The maximum number of common shares which may be issued pursuant to those granted under the Company's stock option plan are currently limited to 10% of the issued and outstanding common shares of the Company at a price determined by the Board, but in any event, not less than the market price of the underlying securities on the date of grant. In addition, the number of options issued to any one individual may not exceed 5% of the issued common shares on a yearly basis. For any person providing ongoing services or employed in investor relations activities, the number of options granted may not exceed 2% of the issued common shares on a yearly basis.

Employment, consulting and management agreements

Management functions of the Company are not, to any substantial degree, performed by a person or persons other than the directors or senior officers of the Company.

Oversight and description of director and named executive officer compensation

The Board assumes, among other things, the obligations sometimes delegated to the compensation committee. The Board establishes executive and senior officer compensation, determines the general compensation structure, policies and programs of the Company, including the extent and level of participation in incentive programs. Executive officers do not vote with respect to compensation matters affecting them.

The Company's overall policy regarding compensation of the Company's executive officers is structured to provide competitive compensation levels and compensation incentives that support both the short-term and long-term goals of the Company, attract and retain suitable and qualified executive management, and establish a compensation framework which is industry competitive. The compensation program consists of the following three components:

Base compensation

Base compensation of executives are determined by referencing salary levels in the industry in which the Company operates. The Board reviews information drawn from a variety of sources, including proxy statements of competitive companies of comparable size and complexity, and, when appropriate, surveys conducted by compensation consultants. Criteria included in the determination of salary levels include the individual's experience level, the scope and complexity of the position held and salaries being paid for similar positions at other Canadian and United States companies of similar size.

Annual performance incentive

Bonuses may or may not be paid and are based on the achievement of corporate and individual performance objectives. Individual performance objectives are set at the beginning of the year and aligned with the Company's business plan.

Stock options

The stock option component of the executive compensation package is provided to focus management attention on corporate performance over a period of time longer than one year in recognition of long-term horizons for return on investments and strategic decisions. The level of stock option awards given to each executive is determined by his or her position, his or her potential future contributions to the Company and the number and terms of stock option awards previously granted to the executive. All stock option awards are reviewed by the Board. The Board determines a meaningful level of award for employees ranging from key employees to the Chief Executive Officer. The level of stock option awards is also influenced by the number of executives and key employees in the current year and the likelihood of grants in future years to executives and key employees since the total number of stock options available under the Company's Stock Option Plan is limited. The Plan shall not exceed the maximum number of Common Shares permitted under the rules of any stock exchange on which the Common Shares are then listed or of any other regulatory body having jurisdiction, which maximum number is presently 1,892,000 Common Shares.

Pension plan benefits

No pension or retirement benefits plans have been instituted and none are proposed at this time.

Termination and change of control benefits

As at July 31, 2018, no payments, benefits or perquisites would be due to be paid to any Named Executive Officer upon any termination, resignation, retirement, change of control of the Company or change in responsibilities.

Compensation of directors

During the year ended July 31, 2018, directors of the Company were paid the total of \$12,500 for their services as directors. There was no additional compensation for committee membership. Directors would also be eligible to receive a bonus in certain circumstances. Directors who are not officers would be entitled to receive compensation to the extent that they provide services to the Company at rates that would be charged by them for such services to arm's length parties.

Ethical Business Conduct

The Board monitors the ethical conduct of the Company to ensure that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions, stock exchanges and *The Corporations Act* (Manitoba). The Board believes that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and common law, as well as the restrictions placed by applicable corporate legislation on the individual directors' participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operated independently of management and in the best interest of the Company.

The Board has not adopted a formal written code of business conduct and ethics.

The Board has adopted a "Whistleblower Policy" wherein employees, directors, officers or consultants of the Company are provided with a mechanism by which they can raise concerns through a confidential and anonymous process, which is overseen by the Chairman of the Audit Committee.

Nomination of Directors

The Company's Compensation, Corporate Governance and Nominating Committee has the responsibility to identify new director candidates and make recommendations to the Board.

The Board recruits, nominates, and endorses the appointment of new Directors based on the needs of the Board. Generally, new nominees for Directors must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The Company's Compensation, Corporate Governance and Nominating Committee has the responsibility to periodically review compensation issues and to report their findings along with their recommendations to the Board. All executive compensation is approved by the Board. The compensation policy of the Company endeavors to provide incentive to management from the perspective of share ownership and share appreciation. Management expects that long term compensation will be primarily derived from the appreciation in the value of the common shares and options they hold. Management compensation is anticipated to consist of a small base salary, the entitlement to participate in a bonus program and incentives in the form of stock options granted pursuant to the Company's stock option plan. The Company has no executive pension plan.

Other Board Committees

The Company currently has two Board Committees: the Audit Committee and the Compensation, Corporate Governance and Nominating Committee. This latter committee is also responsible for encouragement of ethical business conduct and the assessment of the effectiveness of the Board, its committees and its individual directors.
