OVERALL PERFORMANCE

The Company has been considering various restructuring alternatives. As part of the restructuring process, the Company completed a share consolidation effective February 25, 2011, consolidating its common shares on the basis of one (1) new common share for every ten (10) old common shares issued and outstanding at that time. All references to share and per share amounts have been retroactively restated to reflect the share consolidation.

Effective July 19, 2011, the Company sold all of its subsidiaries, including its wholly-owned subsidiaries Digifonica (International) Limited and Digifonica Canada Limited, to the previous President of the Company for proceeds of \$1. The subsidiaries held all patent technologies that were written-down to a value of \$1. Included in the subsidiaries was \$1,025,572 of liabilities. The liabilities are no longer liabilities of the Company.

On December 14, 2011, the Company closed a private placement of 30,000,000 units at \$0.05 per unit for gross proceeds of \$1,500,000. Each unit is comprised of one common share and one share purchase warrant. Each share purchase warrant entitles the holder thereof the right to purchase one common share at \$0.10 per share, exercisable up to December 14, 2012. Proceeds of the private placement have been used for debt repayment and for general working capital.

On April 24, 2012, the Company entered into a non-binding letter of intent ("LOI") to acquire from Bidcactus, LLC ("Bidcactus"), through an off-shore subsidiary to be incorporated, substantially all of the assets and certain of the liabilities of Bidcactus (the "Transaction").

Under the terms of the Transaction, the Company will issue to Bidcactus 25,000,000 common shares of the Company. A finder's fee of 500,000 common shares will be payable. It is a condition of closing of the Transaction that at least 30,000,000 of the Company's outstanding warrants will be exercised prior to closing, which will raise a minimum of \$3,000,000 for the Company. In addition, the Company must undertake a brokered private placement financing of at least \$5,000,000 by the issuance of at least 12,500,000 units at \$0.40 per unit, each unit consisting of one common share of the company and one half of one warrant, each full warrant entitling the holder thereof to buy one additional common share of the Company at \$0.75 per share for a period of two years (the "Units").

The Transaction is subject to a number of conditions, including without limitation, completion of satisfactory technical and legal due diligence, TSX Venture Exchange approval, and Digifonica and Bidcactus shareholders' approval.

On July 31, 2012, the Company announced that it had negotiated with Canaccord Genuity Corp. ("Canaccord") to complete a private placement on a commercially reasonable efforts basis to sell up to 7,500,000 Units at \$0.40 per Unit for gross proceeds of \$3,000,000. The Company also granted Canaccord the option to solicit an additional 2,500,000 Units to raise an additional \$1,000,000. 	Nine Months Ended September 30, 2012 (\$)	Nine Months Ended September 30, 2011 (\$)
Net (loss) income for the period as reported	(341,176)	715,351
Foreign exchange loss	71	11,603
Gain on settlement of debt	(30,015)	(40,110)
Gain on sale of subsidiaries	-	(1,025,422)
Adjusted net loss for the period ⁽¹⁾	(371,120)	(338,578)

⁽¹⁾ Adjusted net loss for the period is not a term recognized under IFRS.

Comments regarding certain of these items are as follows:

- Foreign exchange loss/gain is based on fluctuations in the exchange rate between the Canadian dollar and the US dollar/British pound. Certain liabilities were denominated in US dollars and British pounds.
- The gain on settlement of debt is based on settling liabilities for amounts below book value.
- The gain on sale of subsidiaries is calculated by subtracting the net book value of the subsidiaries from the gross proceeds (\$1). The subsidiaries had nominal assets (\$151) and liabilities totaling \$1,025,572.

The increase in adjusted net loss recorded in the nine months ended September 30, 2012 as compared to the nine months ended September 30, 2011 is the net result of changes to a number of expenses. Of note are the following items:

- Consulting fees (\$52,500 vs. \$102,760) decreased as the Company has been inactive. The consulting fees in the 2012 period were paid to Canaccord as a work fee in connection with the Bidcactus LOI and to a consultant assisting in the Transaction. The consulting charges in 2011 were due to recognizing fees charged by former directors and officers of the Company.
- Legal fees (\$206,661 vs. \$49,830) are comprised of fees relating to the Bidcactus LOI and restructuring the Company. In the 2011 period, \$19,113 of legal fees from prior periods were recognized.
- General and administrative fees (\$71,328 vs. \$128,011) decreased as no patent related expenses were incurred in the period. The general and administrative fees include office rent, transfer agent fees and filing fees with the TSX Venture Exchange.
- Interest expense (\$2,302 vs. \$25,807) is comprised of interest on past due liabilities and decreased commensurate with a decrease in such liabilities.
