Dear Sirs/Mesdames:

**Re: Quia Resources Inc. (the "Company")
Interim Financial Statements and Interim MD&A for the period ended
September 30, 2011**

Please be advised that the interim financial statements and interim MD&A of the Company have been updated to include recent proposed financing disclosure as more fully described in the Company's press release of November 29, 2011.

In particular, the interim financial statements now includes a description of such proposed financing at Note 23 -Subsequent Events, and the interim MD&A now includes a description of such proposed financing under the heading Recent Developments on page 2 thereof.

There are no other changes to either the interim financial statements or to the interim MD&A other than as noted above.

Best regards,
FOGLER, RUBINOFF LLP
