About Quia Resources Inc.

Quia Resources is focused on exploring for gold in the San Lucas Orogenic Gold belt of Colombia, in particular its flagship San Lucas property. Quia's strategy is to focus on Colombia and the San Lucas region since it believes the country and region are geologically prospective and vastly underexplored. Combined with a rapidly improving socio-political environment, Colombia represents a unique opportunity in the global mining landscape for the discovery of new gold deposits. Quia Resources' management has extensive experience in the mining industry in Colombia and South America.
