

Game-Changing Evolve Formulas Products Soon to Disrupt the Oregon Cannabis Market

—NanoSphere Health Sciences Signs Letter of Intent with Cascade Pure—

DENVER--(BUSINESS WIRE)--November 13, 2018--NanoSphere Health Sciences, Inc. (CSE: NSHS) (OTC: NSHSF), the biotechnology leader behind the patented NanoSphere Delivery System™, today signed a new letter of intent with Cascade Pure, LLC, which will bring Evolve Formulas products to the Oregon medical and recreational cannabis markets. The brand's pioneering product, the Evolve Formulas Transdermal NanoSerum™, will hit dispensary shelves in the first quarter of 2019.

"Coming on the heels of Evolve Formulas' California debut, we are eager to continue our west coast expansion by entering Oregon, with additional markets soon to follow," said Robert Sutton, Chairman and CEO of NanoSphere Health Sciences and Evolve Formulas. "Cascade Pure shares NanoSphere's mission to bring revolutionary solutions to the cannabis industry from seed to sale, making them an ideal partner fit. Together, we will drive innovation and set a new precedent for quality, safety and precision in cannabis-infused products."

"Nanotechnology is the future of cannabis, and NanoSphere Health Sciences has mastered the art with its industry-leading NanoSphere Delivery System™," said Cascade Pure Co-Founder and CEO Edward Bonn. "We are proud to break ground with NanoSphere and foster Evolve Formulas' growth in a new market of consumers looking for a unique, discreet and approachable option that provides unparalleled relief."

Cascade Pure, LLC will provide a state-of-the-art cultivation and processing facility located in Bend, Oregon. Their conceptual plan is designed around the Smart Grow Systems solutions, and will be modified to fit NanoSphere's needs. Their proprietary building system revolutionizes indoor cultivation and processing facilities. NanoSphere plans to take this partnership into additional markets in the future.

Cascade Pure, LLC is an Oregon-based company formed to operate the production of genetically superior, pathogen and bug-free clones as well as a seed bank second to none, utilizing tissue culture technology. Cascade Pure offers over 800+ strains of rare, high value and in-demand stains. It also has the ability to offer limited exclusive genetic strains to preferred customers. Evolve Formulas will be the sole brand that Cascade Pure distributes.
