INFORMATION CIRCULAR

for the Annual General Meeting of Shareholders to be held on December 14, 2023
(containing information as at November 3, 2023, unless indicated otherwise)

SOLICITATION OF PROXIES

This information circular (the "**Information Circular**") is furnished in connection with the solicitation of proxies by the management of **NanoSphere Health Sciences Inc.** (the "**Company**") for use at the annual general meeting (the "**Meeting**") of the shareholders (the "**Shareholders**") of the Company, to be held on **Thursday, December 14, 2023** at the time and place and for the purposes set forth in the accompanying notice of annual general meeting and at any adjournment thereof. The enclosed instrument of proxy (the "**Proxy**") is solicited by the management of the Company. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the Proxy are directors and/or officers of the Company. **A Shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for the Shareholder on the Shareholder's behalf at the Meeting other than the persons named in the Proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the Proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another instrument of proxy.** An instrument of proxy will not be valid unless (i) duly completed, signed and dated by the Shareholder or by the Shareholder's attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer; and (ii) deposited with the Company's registrar and transfer agent, Computershare Investor Services Inc. ("**Computershare**") by hand or mail at 510 Burrard Street, 3rd floor, Vancouver, British Columbia, V6B 3B9, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof.

A Shareholder who has given an instrument of proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, an instrument of proxy may be revoked by instrument in writing signed by the Shareholder or by the Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer, and deposited with Computershare, at 510 Burrard Street, 3rd floor, Vancouver, British Columbia, V6B 3B9, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the instrument of proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof. The revocation of an instrument of proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction. **In the absence of any instruction in the Proxy, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Information Circular.** The Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the Proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority greater than one-half (1/2) of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds (2/3) of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this Information Circular as "**Beneficial Shareholders**") should note that only instruments of proxy deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co., the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms.

The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.** Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form ("**VIF**") provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder.

There are two kinds of Beneficial Shareholders: those who object to their name being made known to the issuer of the securities ("**OBOs**" for "**Objecting Beneficial Owners**"), and those who do not object to the issuer of the securities knowing who they are ("**NOBOs**" for "**Non-Objecting Beneficial Owners**"). Pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, issuers can obtain a list of their NOBOs from intermediaries for the distribution of proxy related materials to NOBOs. This year, the Company has decided to take advantage of those provisions of NI54-101 that permit it to directly deliver proxy related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable VIF from the Company's transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

The Company is not relying on the "notice-and-access" delivery procedures outlined in NI54-101 to distribute copies of the proxy related materials in connection with the Meeting. These securityholder materials are being sent to both registered and non-registered owners of the common shares of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send this Information Circular and accompanying Proxy to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering this Information Circular to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The Company does not intend to pay for intermediaries to forward to OBOs, under NI54-101, the proxy related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*, and in the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

All references to Shareholders in this Circular and the accompanying form of proxy are to registered shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors or executive officers of the Company at any time since the beginning of the last financial year of the Company, the proposed nominees for election as a director of the Company, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors.

RECORD DATE, VOTING SHARES AND PRINCIPAL HOLDERS

The authorized capital of the Company consists of an unlimited number of common shares without par value. As of the close of business on **November 3, 2023**, the record date for the Meeting (the "**Record Date**"), there were 10,275,205 common shares of the Company issued and outstanding, each carrying the right to one vote.

Only Shareholders of record as of the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered an instrument of proxy in the manner and subject to the provisions described under the heading "*Appointment and Revocation of Proxies*" above shall be entitled to vote, or have their common shares voted, at the Meeting or any adjournment thereof. On any poll, each Shareholder of record holding common shares of the Company on the Record Date is entitled to one vote for each common share registered in his or her name on the list of shareholders as of the Record Date.

To the knowledge of the directors and executive officers of the Company, based on registered shareholder information, no person(s) or companies beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Company as of the Record Date.

The Option Plan will be presented to shareholders at the Meeting for re-approval.

Employment, Consulting and Management Agreements

The Company does not have any written employment, consulting or management agreements with any of the Company's current NEOs or directors. The Company has retained Vantage Law Corporation to provide legal services at industry standard rates. Mr. Toby Lim, a director of the Company, is a director, officer, and shareholder of Vantage Law Corporation.

Oversight and Description of NEO and Director Compensation

The Board as a whole determines NEO and director compensation as needed from time to time. The Compensation Committee of the Board recommends on such compensation. Executive compensation levels are established with a view to attracting and retaining personnel critical to the Company's short and long term success, and to provide incentives and rewards for performance. Consideration is given to market standards generally and other factors which may be relevant such as competitive market conditions and an individual's particular education, training, skills and experience, the overall responsibilities, risks and time commitments of the position, and anticipated contributions and importance to the Company achieving its goals and objectives. Through its compensation practices, the Company seeks to create and unlock shareholder value through a strong and motivated executive leadership.

NEO compensation is typically comprised of a base salary, stock options, and as circumstances permit, pre-set or discretionary bonuses. During the Reporting Year, the Company did not grant any stock options. No bonuses were set or otherwise awarded in the Reporting Year.

Base salary seeks to provide a competitive and fair level of base compensation. Stock option awards seek to incentivize executives and align the executives' interests with increases in shareholder value and short and long term corporate growth and success. Stock option grants generally reflect the level of responsibility, risk and time commitment of the position, as well as past performance and anticipated future contributions. Consideration may also be given to the number and terms of options previously granted to the executive and the overall number of stock options outstanding from time to time. Bonuses seek to incentivize executives to satisfy particular corporate goals or objectives, to improve financial performance and to achieve other milestones or are awarded on a discretionary

basis as a result of exemplary performance. The size and form of a bonus is typically based on the Board's perceived value of the goal or objective to be attained. Base salary and other compensation mechanisms are currently not evaluated against a formal "peer group", but are determined by the Board in reliance upon the general experience of its members.

The Board has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board when implementing its compensation policies and the Board does not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company. The Company does not have a policy that would prohibit an NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. Management, however, is not aware of any NEO or director purchasing or holding such an instrument.

Pension Disclosure

The Company does not provide a pension to any directors on NEOs and none are proposed at this time.

A material relationship is a relationship which could, in the view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a member's independent judgment. The Instrument also considers a member "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

ITEM 5: RELIANCE ON CERTAIN EXEMPTIONS

During the most recently completed financial year, the Company has not relied on the exemptions contained in Section 2.4 or Part 8 of the Instrument, in whole or in part. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of the Instrument, in whole or in part.

ITEM 6: PRE-APPROVAL POLICIES AND PROCEDURES

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted.
