**Maple Leaf Green World Obtains Approval for Convertible Debenture  
Financing and Closes First Tranche of Unit Financing**

Maple Leaf Green World Inc. ("**Maple Leaf**") announces that further to its news release dated March 13, 2013, it has obtained approval from the TSX Venture Exchange (the "**TSXV**") for its Convertible Debenture Financing with the principal of High Brix Manufacturing Inc. for net proceeds of \$50,000.00.

Maple Leaf would also like to announce that, further to its news release dated March 13, 2013, and subject to final approval by the TSXV, it has completed the first tranche of its non-brokered private placement of up to 4,000,000 units at a price of \$0.025 per unit that was previously approved by its board of directors. The first closing consists of 2,300,000 units for total gross proceeds of \$57,500.00. In connection with the first closing, Maple Leaf will pay finder's fees in the amount of \$1,925.00 to qualified arm's length parties. Net proceeds from the first tranche are \$55,575.00.

As required by the temporary financing exemption being utilized by Maple Leaf for the non-brokered private placement of units, Maple Leaf provides the following detailed breakdown of use of proceeds from the first tranche of unit private placement:

- \$12,500.00 to Smythe Ratcliffe Chartered Accountants as a deposit for the completion of Maple Leaf's fiscal 2012 audit;
- \$10,000.00 to Kanester Johal Chartered Accountants as partial payment of accounts payable for completion of Maple Leaf's fiscal 2011 audit;
- \$5,460.00 to the TSXV for Maple Leaf's annual listing fee;
- \$4,861.69 to Valiant Trust Company for Maple Leaf's annual transfer agent fee;
- \$2,501.17 to the City of Calgary for Business Taxes owed;
- \$7,500.00 to Landlord for rents in arrear and
- \$12,752.13 for general working capital.

**Loan Financing From Beijing Huaye Taifu Capital Ltd.**

Maple Leaf also announces that further to its previous news release that it encountered technical difficulties in registering its subsidiary assets to the Hong Kong lender, both Beijing Huaye Taifu Capital Ltd ("**Huaye**") and Maple Leaf have agreed to cancel the agreement and Huaye will look for another investor from China to provide such a loan to Maple Leaf. If such an alternative lender is secured, a new loan agreement will be drawn up. As such, in addition to Maple Leaf's ongoing non-brokered private placement, Maple Leaf will continue to pursue alternative larger-scale financing arrangements in both China and Canada.

**About Maple Leaf Green World Inc.**

Maple Leaf is a Canadian company that focuses in the environmental industry with 2 main operating arms:

1. Eco-Agriculture - it operates a large-scale nursery business in Inner Mongolia, China that is focused on growing value-added tree seedlings and nursery products that assist with anti-desertification.
2. Renewable Energy - it is undertaking to commence a Yellowhorn seedling and tree operation which would provide valuable Yellowhorn seeds and ultimately oil from such seeds for the manufacture of bio-diesel fuel and premium healthy cooking oil.

Maple Leaf is a wholly-owned foreign enterprise which allows the Corporation to control 100% of the direction and operations of the company in China while permitting the cash generated from operations in China to flow back to Canada.
