About Maple Leaf Green World Inc.

Maple Leaf is a Canadian company that focuses in the agricultural/environmental industry with three main areas of activity:

1. Eco-Agriculture - it pursues several projects around the world. In China, it is focused on growing value-added tree seedlings and nursery products that assist with anti-desertification.
2. Renewable Energy - it pursues various renewable energy projects around the world, including Yellowhorn in China which would provide valuable Yellowhorn seeds and ultimately oil from such seeds for the manufacture of bio-diesel fuel and premium healthy cooking oil.
3. Canadian MMPR - It pursues opportunities within the medical cannabis industry. The Company is currently seeking a Canadian MMPR licensed producer status to

grow medical cannabis in Canada for domestic consumption and export to approved countries.
