- CBD Product Formulation
- CBD Product Manufacturing
- CBD Extraction Service
- Raw Hemp and Concentrate Sales
- Seed and Clone Genetics Sourcing
- Cannabis and Hemp Financing

Their dedicated team of experts ensures the best outcome for projects anywhere along the pathway from seed to finished product sale.

### **Update on Riverside County, California Renovation**

In the previously announced press release dated January 21, 2020, the Company stated that each of the two (2) existing greenhouses will be expanded by an additional 1,000 sq. ft. for a total growing capacity of 7,000 sq. ft. In light of this new Agreement, the Company has elected to forego the 1,000 sq. ft. expansion in favour of erecting a brand new 3,000 sq. ft. greenhouse. The new cold frames and canopy are currently en route to the site and will be installed soon after. The total growing capacity, with the new greenhouse, will now be 9,000 sq. ft. The renovation crew has been working diligently to ensure that the greenhouses are properly sterilized and completed by Maple Leaf's expected timeline. Maple Leaf is pleased to report that renovations are on schedule.
