About Maple Leaf Green World Inc.

Maple Leaf is a public Canadian company that focuses on the hemp industry in North America. The Company currently operates a hemp project in California. With over ten years of extensive greenhouse management experience, the Company applies its eco-agriculture knowledge and cultivation technology to produce contaminant-free organic hemp products. Maple Leaf’s long-term objective is to produce hemp oil and to export its products to approved countries. The Company’s common shares are listed for trading on the Aequitas NEO Exchange Inc. under the symbol “MGW” and on the OTCQX market under the symbol “MGWFF”.
