Re: Audit Engagement

To whom it may concern,

This letter is provided as requested by Maple Leaf Green World Inc (the “Company”) to formally acknowledge engagement between the Company and PKF Antares (the “Auditor”) for the audit of the Company’s financial statement prepared in accordance with International Financial Reporting Standards (IFRS). These will consist of the statements of financial position, the statements of income and other comprehensive income, statements of changes in equity, statements of cash flows and notes, comprising a summary of significant accounting policies and other explanatory information for the period referred to above (the financial statements)

In addition, the auditor confirms the following:

- We have sufficient resources to complete the audit;
- This is a new engagement and no fees remained unpaid from previous engagements;
- The Company assured that they have enough funds available to cover the cost related with the audit including audit fees;
- No draft financial statements have been provided yet;
- The audit is in the preliminary stage and therefore no information has thus far been requested and provided by the Company. Information is expected to be requested starting May 1, 2024;
- There has been no disagreements or unresolved issues between the issuer and the auditor that have delayed the audit;
- There are no uncorrected misstatements that the auditor identified but management is not willing to adjust;
- Audit field work is planned to complete by June 1, 2024; and
- The final audit review is planned to complete by June 15, 2024

Yours truly,
