SEAWAY ANNOUNCES SECURED BRIDGE LOAN TO X2 BLOCKCHAIN GAMES CORP.

Vancouver, British Columbia - Seaway Energy Services Inc. (“Seaway” or the “Company”) (TSX: SEW) – Mr. Dylan Sidoo, Director, reports that since the Company’s news release of January 22, 2018, which announced a letter of intent (“LOI”) with X2 Blockchain Games Corp (“X2 Blockchain”), both companies have been moving towards implementing the LOI.

To ensure X2 Blockchain has the necessary funds to continue its business plan and game development the Company has, subject to acceptance of filings with the TSX Venture Exchange, entered into a loan agreement to provide X2 Blockchain with a bridge loan of up to Canadian \$500,000.

The loan is secured by a General Security Agreement (“GSA”) over the assets of X2 Blockchain, which includes the catalogue of 40 unpublished games. As highlighted in the January 22nd 2018 news release X2 Blockchain owns the historic back catalogue of Mr. Nolan Bushnell’s games; Mr. Bushnell was the founder of Atari. X2 Blockchain plans to use innovative technology that will integrate blockchain technology into the game user’s experience.

Funds from the bridge loan will be allocated towards game and infrastructure development.

ON BEHALF OF THE BOARD
