NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS

NOTICE IS GIVEN THAT an annual general meeting (the “**Meeting**”) of the holders of common shares (the “**Shareholders**”) of EnviroGold Global Limited (the “**Company**”) will be held at 1890 – 1075 West Georgia Street, Vancouver, BC V6E 3C9 and virtually via the Zoom platform (please see page four (4) for the Zoom login details) on August 13, 2024 at 1:00 p.m. (Pacific Daylight Time) for the following purposes:

1. to receive the Company’s audited financial statements for the fiscal year ended December 31, 2023;
2. to fix the number of directors at five (5);
3. to elect directors of the Company to hold office until the next annual meeting of Shareholders;
4. to appoint Davidson & Company LLP, Chartered Accountants as auditor of the Company for the ensuing year and to authorize the directors to fix the remuneration to be paid to the auditors;
5. to transact such further or other business as may properly come before the Meeting or any adjournment(s) thereof.

The Company’s board of directors (the “**Board**”) has fixed June 28, 2024 as the record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment or postponement thereof. Each registered Shareholder at the close of business on that date is entitled to receive such notice and to vote at the Meeting in the circumstances set out in the accompanying Information Circular.

The Company has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the “**Notice-and-Access Provisions**”) for the Meeting. The Notice-and- Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Company to post the Information Circular, the Company’s 2023 audited financial statements and the related management’s discussion and analysis, and any additional materials (collectively, the “**Meeting Materials**”) online. Shareholders will still receive this Notice of Meeting, a form of proxy and request for financial information form and may choose to receive a paper copy of the Meeting Materials.

The Company will not use the procedure known as ‘stratification’ in relation to the use of Notice-and- Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and- Access Provisions, which will not include a paper copy of the Meeting Materials.

PLEASE REVIEW THE INFORMATION CIRCULAR CAREFULLY IN FULL PRIOR TO VOTING IN RELATION TO THE RESOLUTIONS BEING PRESENTED, AS THE INFORMATION CIRCULAR HAS BEEN PREPARED TO HELP YOU MAKE AN INFORMED DECISION ON THE MATTERS. THE INFORMATION CIRCULAR IS AVAILABLE AT [HTTPS://ENVIROGOLDGLOBAL.COM/](https://envirogoldglobal.com/) AND UNDER THE COMPANY’S PROFILE ON SEDAR+ AT WWW.SEDARPLUS.CA. ANY SHAREHOLDER WHO WISHES TO RECEIVE A PAPER COPY ON THE MEETING MATERIALS (INCLUDING THE INFORMATION CIRCULAR) SHOULD CONTACT THE COMPANY AT SUITE 1890, 1075 WEST GEORGIA STREET, VANCOUVER, BC, V6E 3C9, BY FAX AT 604-687-3141, BY TELEPHONE TOLL FREE AT 1-888-787-0888 OR BY EMAIL AT LEAH@DENOVOGROUP.CA. SHAREHOLDERS MAY ALSO USE THE TOLL-FREE NUMBER NOTED ABOVE TO OBTAIN ADDITIONAL INFORMATION ABOUT THE NOTICE-AND-ACCESS PROVISIONS.

If you are a registered Shareholder of the Company and are unable to attend the Meeting in person, please complete, date and sign the accompanying form of proxy and deposit it with the Company’s transfer agent, Endeavor Trust Corporation, located at: 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, no later than 1:00 p.m. (PDT) on August 9, 2024 or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

If you are a non-registered Shareholder and received this notice (“**Notice**”) of Meeting and accompanying materials through a broker, a financial institution, a participant, a trustee or administrator of a self-administered retirement savings plan, retirement income fund, education savings plan or other similar self-administered savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of any of the foregoing that holds your securities on your behalf (the “**Intermediary**”), please complete and return the materials in accordance with the instructions provided to you by your Intermediary.

As always, the Company encourages shareholders to vote prior to the Meeting. Shareholders are encouraged to vote on the matters before the Meeting by proxy and to join the Meeting in person or by Zoom.

INFORMATION CIRCULAR

This Information Circular (the “**Circular**”) accompanies the Notice of the annual general meeting (the “**Meeting**”) of the Shareholders of Envirogold Global Limited (the “**Company**”), and is furnished to Shareholders holding shares of the Company (the “**Shares**”), in connection with the solicitation by the Company’s management of proxies to be voted at the Meeting to be held virtually at **1:00 pm PDT on August 13, 2024** at 1890 – 1075 West Georgia Street, Vancouver, BC V6E 3C9 and via the Zoom platform (please see page four (4) for the Zoom meeting login instruction) or at any adjournment or postponement thereof.

Unless the context otherwise requires, capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Glossary of Terms in this Circular.

INFORMATION CONTAINED IN THIS INFORMATION CIRCULAR

The date of this Circular is June 28, 2024. Unless otherwise stated, all amounts herein are in Canadian dollars. The following documents filed by the Company on SEDAR+ at www.sedarplus.ca are specifically incorporated by reference into, and form an integral part of, this Circular: the audited consolidated financial statements of the Company and the related notes thereto, for the financial year ended December 31, 2023; the report of the Company’s auditor thereon; and management’s discussion and analysis related to the above financial statements.

No person has been authorized to give any information or to make any representation in connection with any matters described herein other than those contained in this Circular and, if given or made, any such information or representation should be considered not to have been authorized by the Company.

This Circular does not constitute the solicitation of an offer to purchase any securities or the solicitation of a proxy by any person in any jurisdiction in which such solicitation is not authorized or in which the person making such solicitation is not qualified to do so or to any person to whom it is unlawful to make such solicitation.

Information contained in this Circular should not be construed as legal, tax or financial advice and Shareholders are urged to consult their own professional advisers in connection therewith.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers, and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish the proxy-related materials to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies.

If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

The Company has arranged for intermediaries to forward the Meeting materials to beneficial owners of Shares (the “**Beneficial Shareholders**”) held of record by those intermediaries. The Company has distributed or made available for distribution, copies of the Notice, this Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders held of record by those Intermediaries. Such Intermediaries are required to forward such documents to the Beneficial

Shareholders unless a Beneficial Shareholder has waived the right to receive them. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Company if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Company will pay the permitted fees and costs of the Intermediaries for reasonable fees and disbursements incurred in connection with the distribution of these materials.

The Company does not intend to pay for Intermediaries to forward to objecting Beneficial Shareholders under NI 54-101 the proxy-related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. An objecting Beneficial Shareholder will not receive such materials unless the objecting Beneficial Shareholder's Intermediary assumes the cost of delivery.

These proxy-related materials are being sent to both registered and non-registered Shareholders. If you are a non-registered Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. On a show of hands, every Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of June 28, 2024 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The list of Registered Shareholders is available for inspection during normal business hours at the offices of Endeavor Trust Corporation (“**Endeavor**”) and will be available at the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Endeavor at their offices located at 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, by mail, or by fax at 604-559-8908, or by email at proxy@endeavortrust.com, no later than 1:00 pm PDT on August 9, 2024 or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

The persons named in the enclosed form of proxy will vote the Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. In the absence of such direction, such shares will be voted in the discretion of the person named in the proxy. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this information circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Revocation of Proxy

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last Business Day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Shares represented will be voted or withheld from the vote on that matter accordingly. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE BOARD FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the Designated Persons with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Notice-and-Access

Notice-and-Access is a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of its securities by posting such materials on a non-SEDAR+ website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the "Notice-and-Access Provisions") can be used to deliver materials for both special and general meetings.

The use of the Notice-and-Access Provisions is intended to reduce paper waste and mailing costs to the Company. In order for the Company to utilize the Notice-and-Access Provisions to deliver proxy-related materials, the Company must send a notice to Shareholders indicating that the proxy-related materials for the Meeting have been posted electronically on a website that is not SEDAR+ and explaining how a Shareholder can access them or obtain a paper copy of those materials. Upon request, beneficial owners are entitled to delivery of a paper copy of the information circular at the reporting issuer's expense. This Information Circular and other materials related to the Meeting have been posted in full on the Company's Meeting website at <https://envirogoldglobal.com/> and under the Company's SEDAR+ profile at www.sedarplus.ca.

In order to use the Notice-and-Access Provisions, a reporting issuer must set the record date for the meeting at least 40 days prior to the meeting to ensure there is sufficient time for the materials to be posted on the applicable website and the notice of meeting and form of proxy to be delivered to Shareholders. The requirements for the notice of meeting are that the Company shall provide basic information about the Meeting and the matters to be voted on, explain how a Shareholder can obtain a paper copy of this Information Circular, and explain the Notice-and-Access process. The Notice of Meeting, containing this information, has been delivered to Shareholders by the Company, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of non-registered Shareholders).

The Company will not rely upon the use of ‘stratification’. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the information circular to some, but not all, of its shareholders, along with the notice of meeting. In relation to the Meeting, all Shareholders will receive the documentation required under the Notice-and-Access Provisions and all documents required to vote at the Meeting. No Shareholder will receive a paper copy of this Information Circular from the Company or any intermediary unless such Shareholder specifically requests same.

The Company will be delivering proxy-related materials to NOBOs and OBOs indirectly through the use of intermediaries. The management of the Company does not intend to pay for Intermediaries to deliver OBOs the meeting materials, and that in the case of an OBO, the OBO will not receive the meeting materials unless the OBO’s Intermediary assumes the cost of delivery.

Any Shareholder who wishes to receive a paper copy of this Information Circular may contact the Company in writing by mail at: Suite 1890, 1075 West Georgia Street, Vancouver, BC, V6E 3C9; or by fax at 604-687-3141.

In order to ensure that a paper copy of this Information Circular can be delivered to a requesting Shareholder in time for such Shareholder to review this Information Circular and return a proxy or voting instruction form so that it is received not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment of the Meeting, it is strongly suggested that a Shareholder ensure their request is received no later than August 2, 2024. All Shareholders may call toll free at 1-888-787-0888 in order to obtain additional information about the Notice-and-Access Provisions or to obtain a paper copy of this Information Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Beneficial Shareholders who do not hold their Shares in their own name should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting.

If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in the Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting

instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for a Registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the proxy well in advance of the Meeting to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent).

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend the Meeting and vote his, her or its Shares.

AUDITED FINANCIAL STATEMENTS

The Company’s audited financial statements for the fiscal period ended December 31, 2023, and the report of the auditors on those statements will be placed before the Meeting. Receipt at the Meeting of the audited financial statements of the Company will not constitute approval or disapproval of any matters referred to in those statements. No vote will be taken on the audited financial statements. These audited financial statements are available at www.sedarplus.ca.

Pursuant to National Instrument 51-102 *Continuous Disclosure Obligations* and National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, both of the Canadian Securities Administrators, a person or corporation who in the future wishes to receive annual and interim financial statements from the Company must deliver a written request for such material to the Company. Shareholders who wish to receive annual and interim financial statements are encouraged to complete the appropriate section on the Request form attached to this Circular and send it to the transfer agent, Endeavor.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at five (5). The number of directors will be approved if the affirmative vote of the majority of Shares present or represented by proxy at the Meeting and entitled to vote, are voted in favour to set the number of directors at five (5).

Management recommends the approval of the resolution to set the number of directors of the Company at five (5).

ELECTION OF DIRECTORS

The directors of the Company are elected annually and hold office until the next annual general meeting of the shareholders or until their successors are elected or appointed. Management of the Company proposes to nominate the persons listed below for election as directors to hold office until the next annual meeting or until their successors are elected or appointed, unless his or her office is earlier vacated in accordance with the *Business Corporations Act* (British Columbia) (the “BCA”) and the Articles.

All of the nominees are currently members of the Board and have been since the dates indicated below or are nominees of management and have consented to their nomination to the Board. Management does not contemplate that any of the nominees will be unable to serve as a director. **However, if a nominee should be unable to so serve for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion if they are permitted to do so by applicable law. The persons named in the enclosed form of proxy intend to vote FOR the election of all of the nominees whose names are set forth below unless otherwise instructed to withhold from voting thereon on a properly executed and validly deposited proxy.**

The following table sets forth certain information concerning management’s nominees for election as directors, including the approximate number of Shares beneficially owned, directly or indirectly, by each of them, or over which they exercise control or direction.

Stock Option Plans and Other Incentive Plans

Upon completion of the business combination transaction on July 16, 2021 between the Company and EnviroGold Global (CAN) Ltd. (“EGGL”), the Company adopted the restricted share unit plan (the “**RSU Plan**”) previously adopted by EGGL on May 4, 2021. The Company also has a 10% rolling stock option plan (the “**Option Plan**”) authorizing the grant of stock options (“**Options**”) to directors, officers, employees, and consultants to acquire up to 10% of the Company’s Shares.

On May 4, 2021 EGGL approved the adoption of the RSU Plan to grant restricted share units (“**RSU’s**”) to directors, officers, key employees and consultants of the Company. Pursuant to the RSU Plan, the Company may reserve up to a maximum of 10% of the issued and outstanding Shares at the time of grant pursuant to awards granted under the RSU Plan.

The Option Plan and RSU Plan were both ratified by shareholders at the annual general and special meeting held on May 13, 2022.

Option Plan

The Option Plan of the Company is designed to give each Option holder an interest in preserving and maximizing shareholder value in the longer term, to enable the Company to attract and retain individuals with experience and ability and to reward individuals for current performance and expected future performance. The Board considers Option grants when reviewing executive officer compensation packages as a whole.

The Board has sole discretion to determine the key employees to whom it recommends that grants be made and to determine the terms and conditions of the Options forming part of such grants. The Board approves ranges of Option grants for each level of executive officer. Individual grants are determined by an assessment of an individual’s current and expected future performance, level of responsibilities and the importance of the position to the Company.

The number of Options which may be issued under the Option Plan in the aggregate and in respect of any fiscal year is limited under the terms of the Option Plan and cannot be increased without shareholder approval.

RSU Plan

The RSU Plan provides for granting of RSU's for the purposes of advancing the interests of the Company through motivation, attraction and retention of employees, officers, consultants, and directors by granting equity-based compensation incentives, in addition to the Company's Option Plan.

RSUs granted pursuant to the RSU Plan will be used to compensate participants for their individual performance-based achievements and are intended to supplement stock option awards in this respect, the goal of such grants is to more closely tie awards to individual performance based on established performance criteria.

The plans have been used to provide Options and RSU's which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. In determining the number of Options or RSU's to be granted to the executive officers, the Board takes into account the number of Options or RSU's, if any, previously granted to each executive officer, and the exercise price of any outstanding Options to ensure that such grants are in accordance with the policies of the CSE and closely align the interests of the executive officers with the interests of shareholders.

The Board has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based and share-based awards.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter under the heading “External Auditors”.

External Auditor Service Fees

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-Related Fees” are fees not included in audit fees that are billed by the Auditor for assurance and related services that are reasonably related to the performance of the audit review of the Company’s financial statements. “Tax Fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All Other Fees” are fees billed by the Auditor for products and services not included in the foregoing categories.

CORPORATE GOVERNANCE

Maintaining a high standard of corporate governance is a priority for the Board and the Company’s management believes that effective corporate governance will help create and maintain shareholder value in the long term. A description of the Company’s corporate governance practices, which addresses the matters set out in National Instrument 58-101 *Disclosure of Corporate Governance Practices*, is set out below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company’s management through frequent meetings of the Board.

Independence of Directors

As a venture issuer, the Company is exempt from the independence requirements of NI 52-110, Part 3. Each of Philipa Varris, Bruce Higson-Smith, Paul McRae and Harold Wolkin are not officers or employees of the Company or of an affiliate of the Company and therefore considered to be independent. David Cam is an officer of the Company, Allan Bezanson was an officer of the Company in the previous three years and Phil Creagh provides legal services to the Company through his law firm at a value in excess of \$75,000 CAD per year and therefore are considered not to be independent.

Directorships

The current directors of the Company and each of the individuals to be nominated for election as a director of the Company at the Meeting may serve as a director or officer of one or more other reporting issuers as at the date of this Notice of Meeting and Circular.

Company directors are required by law to act honestly and in good faith with a view to Company best interests and to disclose any interests which they may have in any of the Company’s projects or opportunities. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose their interest and abstain from voting on such matter. In determining whether or not a director will participate in any project or opportunity, that director will primarily consider the degree of risk to which they and the Company may be exposed and the Company’s financial position at that time.

To the best of the Board’s knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters, and other members of management serve as directors,

officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies.

Orientation and Continuing Education

The Board briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any continuing education, but does encourage directors to individually and as a group keep themselves informed on changing corporate governance and legal issues. Directors are individually responsible for updating their skills as required to meet their obligations as directors. In addition, the Board undertakes strategic planning sessions with management.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law of Canada and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Nomination and Corporate Governance Committee is responsible for overseeing matters related to the composition and governance of the board. The committee identifies, evaluates, and recommends candidates for the board of directors. This includes assessing the skills, experience, and diversity needed to support the company's strategic objectives. The committee is also responsible for developing and recommending corporate governance principles and policies to the board, ensuring they align with best practices and regulatory requirement to ensure the company adheres to high ethical standards and practices.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives, and a willingness to serve.

The Nomination and Corporate Governance Committee is currently comprised of Bruce Higson-Smith, Harold Wolkin (Chair), and Philipa Varris. All of which are independent directors.

Following the Meeting, the Company expects to appoint Harold M. Wolkin and Paul McRae to the Nomination and Corporate Governance Committee.

Compensation

The Compensation Committee of the Board is responsible for ensuring that the Company has appropriate procedures for setting executive compensation and making recommendations to the Board with respect to the compensation paid to each of the executive officers and ensuring that the compensation is fair, reasonable and is consistent with the Company's compensation philosophy.

The Compensation Committee is also responsible for recommending compensation for the directors and granting Options and RSUs to the directors, officers and employees, and consultants of the Company pursuant to the Option Plan and RSU Plan.

The Compensation Committee is currently comprised of Bruce Higson-Smith (Chair), Harold Wolkin, and Philipa Varris. All of which are independent directors.

Following the Meeting, the Company expects to appoint Harold M. Wolkin and Paul McRae to the Compensation Committee.

The Board is satisfied that the composition of the Compensation Committee ensures an objective process for determining compensation. The Compensation Committee reviews on an annual basis the cash compensation, performance and overall compensation package of each executive officer, including the NEOs, and the directors. It then submits to the Board recommendations with respect to the basic salary, bonus and participation in share compensation arrangements for each executive officer.

The Compensation Committee ensures that the Company has an executive compensation plan that is fair, motivational and competitive so that it will attract, retain and incentivize executive officers of a quality and nature that will enhance

growth and development of the Company. In establishing levels of remuneration, Option, RSU and bonus grants, the Compensation Committee is guided by the following principles:

- Compensation is determined on an individual basis by the need to attract and retain talented, qualified and effective executives;
- Total compensation is set with reference to the market for similar positions in comparable companies and with reference to the location of employment; and
- The current market and economic environment.

Reflecting to the stage of development of the Company, the Company has not established any quantitative or identifiable measures to assess performance and the performance goals are largely subjective, based on qualitative measures such as consistent and focused leadership, ability to manage risks, enhancing the Company's profile and growth profile as well as milestone-based metrics.

Other Board Committees

In addition to the Audit Committee, the Nomination and Corporate Governance Committee and the Compensation Committee, the Company also has a Sustainability Committee that has been established; however, the Sustainability Committee will not meet until the Company's operations commence.

Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees. The Board is currently responsible for assessing its own effectiveness, the effectiveness of individual directors and the effectiveness of the Audit Committee.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

APPOINTMENT OF AUDITOR

At the Meeting, Shareholders will be asked to pass an ordinary resolution appointing Davidson & Company LLP as the auditor to hold office until the next annual meeting of the Shareholders or until such firm is removed from office or resigns as provided by law and to authorize the Board to fix the remuneration to be paid to the auditor.

Management recommends that Shareholders vote for the approval of the appointment of Davidson & Company LLP as the auditor for the Company for the ensuing year at a remuneration to be fixed by the Board.
