SECOVA ANNOUNCES NON-BROKERED PRIVATE PLACEMENT OF UNITS IS STILL IN EFFECT

Vancouver, B.C., July 22, 2013 (TSX-V: - SEK) - Secova Metals Corp. ("Secova" or the "Corporation") announces that further to the Corporation's news release of June 25, 2013 announcing a non-brokered private placement of up to 8,000,000 units of the Corporation (each, a "Unit"), at \$0.05 per Unit (the "Offering"), the Corporation expects the Offering to close by the end of August, 2013. Each Unit will consist of one common share of the Corporation (each, a "Share") and one common share purchase warrant (each, a "Warrant") at an exercise price of \$0.10 per Share, expiring 24-months from the date of issuance upon closing of the Offering. Finder's fee by way of cash and securities may be paid in accordance with applicable regulatory policies. Certain insiders of the Corporation will be participating in the Offering.

Closing of the Offering is subject to a number of conditions, including receipt of all necessary corporate and regulatory approvals, including that of the TSX Venture Exchange. All securities issued in connection with the Offering will be subject to a statutory hold period of four months plus a day from the date of issuance in accordance with applicable securities legislation.

The proceeds from the Offering will be used for general working capital purposes.

Further information about the Corporation is available on its website www.SecovaMetals.ca

This news release does not constitute an offer to sell or solicitation of an offer to buy any of the Corporation's securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

Forward-Looking Statements: This Secova Metals News Release may contain certain "forward-looking" statements and information relating to Secova which are based on the beliefs of Secova management, as well as assumptions made by and information currently available to Secova management. Such statements reflect the current risks, uncertainties and assumptions related to certain factors including, without limitations, exploration and development risks, expenditure and financing requirements, title matters, operating hazards, metal prices, political and economic factors, competitive factors, general economic conditions, relationships with vendors and strategic partners, governmental regulation and supervision, seasonality, technological change, industry practices, and one-time events. Should any one or more of these risks or uncertainties materialize or change, or should any underlying assumptions prove incorrect, actual results may vary materially from those described herein. The potential for Secova to replicate historical resource estimates or grades, or for new data to expand tonnage or grade, is conceptual and is based on historical reports which have not been verified by a qualified person. There is a

risk that planned exploration and test work will not result in the delineation of NI 43-101 compliant resource estimates or verify historically reported grades.

This news release does not constitute an offer to sell or solicitation of an offer to buy any of the Corporation's securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
