### **About the Company**

Secova Metals Corp. is a Canadian environmentally aware resource exploration and processing company. Management has demonstrated expertise in advancing gold exploration projects into acquisition targets, most notably in the province of Quebec. Secova’s principal restoration and recovery project is the Montauban property situated in Quebec, just 80 kilometers west of Quebec City. Recently, The Company has also entered into a joint venture agreement to determine the presence of recoverable metals in the Ottawa River, consistent with Secova’s commitment to environmental recovery solutions. The Company’s main exploration focus is its 100% ownership of the Eagle River project, which is adjacent to and on-trend to several gold projects in the Windfall Lake district of Urban Barry in Quebec.
