Chlormet Hires Momentum for Public Relations Consulting

Vancouver, British Columbia (September 9th, 2014) (CSE: PUF) – Chlormet Technologies, Inc. has hired Momentum Public Relations Inc. to provide corporate communication and strategic business development services for the company.

Momentum is a Montreal-based, comprehensive provider of public relations services. Momentum's diverse team of professionals bring over 75 years of combined experience and have a proven record of success.

Chlormet is also pleased to report that an additional 270,000 warrants have been exercised since the last notice of exercise. In total, Chlormet has received gross proceeds totalling \$752,250 from the exercise of 10,030,000 warrants to date.

About Chlormet Technologies

Chlormet Technologies Inc. is moving into the Medical Marijuana sector by purchasing a 100% interest in AAA Heidelberg, a private Ontario company that is in the process of applying for a MMPR license. Chlormet's goal is to become the next publicly traded Canadian company with a medical marijuana production license.

To complement its activities in Canada, Chlormet intends to become involved in the legal marijuana industry in Washington State by providing building, equipment and expertise to licensed growers.

ON BEHALF OF THE BOARD OF DIRECTORS

"Yari Nieken"

Interim President and CEO
