## **NEWS RELEASE**

### **Chlormet initiates closing of Washington State real estate purchase.**

May 28, 2015 - Vancouver, British Columbia – **Chlormet Technologies Inc.** (“Chlormet” or the “Company”) (CSE: PUF) (Frankfurt: HR2P) is pleased to announce that it has formally requested the release of funds held in escrow by Whatcom Land Title Company, Inc. By doing so, the company has initiated the closing process on its target property and associated buildings situated in Whatcom County, Washington State (See news release dated Nov. 4<sup>th</sup>, 2014).

“This has been a lengthier process than initially anticipated and we are very appreciative of our shareholder’s patience during the process. We are pleased that our efforts have been proven fruitful,” stated CEO Yari Nieken

#### **About Chlormet Technologies**

Chlormet Technologies Inc. is moving into the Medical Marijuana sector by purchasing a 100% interest in AAA Heidelberg, a private Ontario company that is in the process of applying for a MMPR license. Although the Company cannot guarantee nor estimate the timing for the issuance of a license to AAA Heidelberg, it is Chlormet’s goal to become the next publicly traded Canadian company to be granted a new medical marijuana production license.

With the purchase of VapeTronix, the Company plans on rapidly expanding the 1313 brand while driving a near term revenue stream to Chlormet.
