About Chlormet Technologies:

The Company is moving into the Medical Marijuana sector by purchasing a 100% interest in AAA Heidelberg, a private Ontario company that is in the process of applying for a MMPR license. Although the Company cannot guarantee nor estimate the timing for the issuance of a license to AAA Heidelberg, it is the Company's goal to become the next publicly traded Canadian company to be granted a new medical marijuana production license.

With the purchase of VapeTronix, the Company plans on rapidly expanding the 1313 brand while driving a near term revenue stream to the Company.
