About Chlormet Technologies

Chlormet Technologies Inc. is moving into the Medical Marijuana sector by purchasing a 100% interest in AAA Heidelberg, a private Ontario company that is in the process of applying for a MMPR license. Although the Company cannot guarantee nor estimate the timing for the issuance of a license to AAA Heidelberg, it is Chlormet’s goal to become the next publicly traded Canadian company to be granted a new medical marijuana production license.

With the purchase of the property in Whatcom County, WA, the company plans on generating revenues via long term leases to tenants.
