Vancouver, British Columbia / August 9th, 2019 – AgraFlora Organics International Inc. (“AgraFlora” or the “Company”) (CSE: AGRA) (Frankfurt: PU31) (OTCPK: AGFAF), a growth oriented and diversified international cannabis company, announces that it intends to make an offer (the “Offer”) directly to the shareholders of Eviana Health Corporation (“Eviana”) to purchase all of the issued and outstanding common shares (the “Eviana Shares”) for consideration consisting of common shares of AgraFlora.

The Offer

Reasons for Eviana Shareholders to Support the AgraFlora-Eviana Combination

- Significant and immediate 49.25% premium to market price;
- Ownership in a larger cannabis entity with higher trading volumes and poised for further growth;
- Opportunity to put in place proven management to execute the business plan; and,
- Potential for further downward share price impact if the Offer is not accepted.

Transaction Merits for the AgraFlora-Eviana Combination

- Strategic access to the European market;
- Synergies with current AgraFlora products and brands for Eviana;
- 40,000 sq. ft. processing facility in Mladenovo, Serbia (near Novi Sad); and,

Background to the Offer

On July 26, 2019, AgraFlora presented Eviana’s board of directors (the “Eviana Board”) with a proposal (the “Proposal”) to explore a mutually agreeable business combination. Although the Eviana Board failed to respond to Proposal, AgraFlora would still welcome a transaction supported by the Eviana Board, and

looks forward to engaging the Eviana Board to deliver significant value to Eviana shareholders. However, at this time, the rationale for the combination is too strong to accept inaction.

AgraFlora will be engaging with Eviana shareholders in the coming days and is hopeful to gain their support.,
