

AGRAFLORA ORGANICS INTERNATIONAL INC.

News Release

AgraFlora Organics Announces Further Update on Q1 Filing

Vancouver, British Columbia / June 30, 2020 – AgraFlora Organics International Inc. (“AgraFlora” or the “Company”) (CSE: AGRA) (Frankfurt: PU31) (OTCPK: AGFAF), a growth oriented and diversified international cannabis company, announces that, further to its news release dated May 25, 2020, the Company continues to work diligently to file its interim financial statements for the three months ended March 31, 2020 (the “Financial Statements”) by the extension date of July 16, 2020, pursuant to BC Instrument 51-515 Temporary Exemption from Certain Corporate Finance Requirements (“BCI 51-515”).

All material business developments since the filing of the Company’s annual financial statements and associated management’s discussion and analysis, for the year ended December 31, 2019, have been disclosed by the Company by way of news release. Please view the company’s SEDAR profile at www.sedar.com for further information.

Additionally, the Company advises that management and other insiders of the Company are subject to a trading black-out policy as described, in principle, in section 9 of National Policy 11-207, Failure to-File Cease Trade Orders and Revocations in Multiple Jurisdictions.

About AgraFlora Organics International Inc.

AgraFlora Organics International Inc. is a leading cannabis company building shareholder value through the development of revenue generating operating assets in the global cannabis industry. AgraFlora is focused primarily on the Canadian cannabis industry; the world’s most advanced and regulated legal cannabis market. Flagship Canadian assets include: Edibles & Infusions, a fully automated manufacturing facility in Winnipeg, MB for white-label and consumer branded edible production; Propagation Services Canada, a large-scale commercial greenhouse in Delta, BC focused on reshaping the Canadian flower market with high-potency, low cost cannabis flower, and AAA Heidelberg, a craft focused cannabis producer in London, ON. In addition, AgraFlora’s wholly owned subsidiary Farmako GmbH is scaling towards its goal of being Europe’s leading distributor of medical cannabis. Farmako currently has active distribution operations in Germany and expects to commence active operations in the United Kingdom in 2020. For more information please visit: <https://agraflora.com/>.

Forward-looking Information Cautionary Statement

Except for statements of historic fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking statements are based on the opinions and estimates at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking statements including, but not limited to delays or uncertainties with regulatory approvals, including that of the CSE. There are uncertainties inherent in forward-looking information, including factors beyond the Company's control. There are no assurances that the business plans for AgraFlora Organics described in this news release will come into effect on the terms or time frame described herein. The Company undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by law. The reader is cautioned not to place undue reliance on forward-looking statements. Additional information identifying risks and uncertainties that could affect financial results is contained in the Company's filings with Canadian securities regulators, which are available at www.sedar.com.
