

Empower Clinics Announces Stock Option Grant and Private Placement Financing

SEATTLE, WA – June 7, 2018 – Empower Clinics Inc. (CSE: EPW), a leading owner and operator of medical cannabis clinics in the US, announced today that it has granted an aggregate of 3,850,000 stock options to certain officers, directors, employees and consultants of the company, subject to approval of the Canadian Securities Exchange (the “CSE”). The options vest immediately, are exercisable at CDN \$0.38 per common share, will expire on May 25, 2023 and are otherwise governed by the terms and conditions of the company's stock option plan. Following the grant of the options, the company has a total of 7,150,000 stock options outstanding representing approximately 10% of the outstanding common shares of the company.

Empower also announced that it intends to complete a non-brokered private placement of 2,000,000 units (the “Units”) at an issuance price of CDN \$0.31 per Unit for aggregate gross proceeds of CDN \$620,000. Each Unit consists of one common share and one warrant to purchase common shares at an exercise price of CDN \$0.36 for one year from the date of issuance. The Units issued pursuant to this private placement will be subject to a hold period of four months and one day from the date of issuance.

The company also announced that it has entered into an employment agreement with Craig Snyder, the President and CEO of Empower, subject to the approval of the CSE. The terms of Snyder's engagement with the company were previously governed by a consulting agreement signed with one of the company's predecessor entities prior to the completion of the company's going public transaction on the CSE. Pursuant to the employment agreement, it was agreed that Snyder would be issued 2,000,000 common shares of the company.
