*Empower Clinics Inc. is launching a pilot program with Cannvas MedTech to place educational kiosks in each of the Empower clinics to advance the education of patients, collection of data and analysis of physician recommended alternative CBD based therapies.*

VANCOUVER, April 18, 2019 /CNW/ - EMPOWER CLINICS INC. (CSE: CBDT) (Frankfurt 8EC) ("**Empower**" or the "**Company**"), a growth oriented, diversified health and wellness company, is pleased to announce that it intends to partner with **Cannvas MedTech Inc. ("Cannvas")** (CSE: MTEC) (FRA: 3CM) (OTCPK: CANVF), a leading digital cannabis education and analytics company, to create a pilot to launch a comprehensive education, data collection and analysis program starting with the installation of a network of standalone on-site Cannvas educational kiosks in the Empower network of medical clinics.

"This is an opportunity to bring unbiased cannabis education to a large population of patients looking for therapies to alleviate a number of ailments while also learning more about what behaviours may drive the decision to look at cannabis as an alternative or complementary treatment," said Shawn Moniz, Chief Executive Officer, Cannvas. "We are thrilled to partner with Empower Clinics to couple cannabis education with data analysis and better serve their patients while growing the Cannvas brand across the United States."

It is expected that Cannvas will place its Cannvas kiosks throughout Empower's network of clinics to provide accessible and unbiased cannabis education to Empower's patients, integrating geo-targeting capabilities to ensure relevant contextual information across the country. Cannvas will be a key data and analytics partner for Empower by providing meaningful insights on customer behaviours and industry trends and integrating mutually beneficial existing data partnerships.

"In recent weeks, the Company has been re-positioning its overall strategy to become a vertically integrated health and wellness company that connects to its 120,000 patients using a data driven focus to improve patients' lives with products, technology and health systems", stated Steven McAuley, Empower CEO, "the addition of the Cannvas educational kiosks, a user friendly and highly interactive education platform, is a tremendous step forward to making our brand one of the go to sources for content for both patients and the medical community nationwide."

Every month Empower hosts informational sessions about alternative treatment options and the potential health benefits with doctors and staff available to answer questions. It is expected that Cannvas will play an active role in the review and implementation of new educational curriculum based on original content from Cannvas website, [Cannvas.me](http://Cannvas.me).

The Company also plans to begin further pilot initiatives with Cannvas to provide content and educational links to [Cannvas.me](http://Cannvas.me) and [Cannvas.health](http://Cannvas.health) directly from the new Empower website [www.empowerclinics.com](http://www.empowerclinics.com) and through the Empower tele-medicine portal.

## **ABOUT EMPOWER**

Empower is a leading owner/operator of a network of physician-staffed clinics focused on helping patients improve and protect their health through innovative physician recommended treatment options.
