

EMPOWER CLINICS COMPLETES LANDMARK KAI LABORATORY EXPANSION

The newly expanded facility substantially enhances KAI LAB's research and service testing capabilities

VANCOUVER BC: August 4, 2021 – EMPOWER CLINICS INC. (CBDT: CSE) (8EC: Frankfurt) (EPWCF: OTCQB) (“Empower” or the “Company”) an integrated healthcare company - serving patients through medical centers, telemedicine platforms and a high complexity medical diagnostics laboratory processing thousands of COVID-19 specimens is delighted to announce the completion of its Kai Medical Laboratory (“Kai Lab”) expansion.

Acquired by Empower Clinics on October 6, 2020, Kai Lab’s Texas facility represents best-in-class testing capabilities. Since Q4 2020, Kai Labs has been a consistent revenue driver for the Company by meeting the needs of enterprise clients focused on cultivating a safer work environment. Thus far in 2021, Kai labs has yielded consistent and promising growth for Empower Clinics.

“I’m immensely proud the Kai Lab team for completing this monumental expansion,” said Steven McAuley, Chairman and CEO of Empower. “This endeavor has unleashed Kai Lab’s full potential to become a leader in both enterprise and direct to consumer testing, a matter of utmost important as individuals and businesses prepare for another flu season.”

“After months of hard work, I’m thrilled to see the successful completion of Kai Lab’s crucial expansion,” said Yoshi Tyler, President of Kai Labs. “Through the leadership and expertise of the Empower Team we continue to make strides in meeting the demands of North America’s healthcare space.”

In addition to expanding the volume of current testing services, this milestone brings new product and service offerings to Kai Labs, such as dried blood spot card-based testing, vitamine, and hormone testing. Kai Labs also invested in its future beyond the COVID-19 pandemic by augmenting its research and development endeavors and its ability to collect a variety of specimen samples for testing. New testing offerings will include saliva and swab-based testing, respiratory pathogen panel, urinary tract and sexually transmitted infections testing. A ceremony to launch the expanded Kai Labs is slated for Fall 2021.

DISCLAIMER FOR FORWARD-LOOKING STATEMENTS

This news release contains certain "forward-looking statements" or "forward-looking information" (collectively "forward looking statements") within the meaning of applicable Canadian securities laws. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Forward-looking statements can frequently be identified by words such as "plans", "continues", "expects", "projects", "intends", "believes", "anticipates", "estimates", "may", "will", "potential", "proposed" and other similar words, or information that certain events or conditions "may" or "will" occur. Forward-looking statements in this news release include, but are not limited to, statements regarding: the expected benefits to the Company and its shareholders as a result of the acquisition of Kai Medical Laboratory; the transaction terms; the expected number of clinics and patients following the closing; the future potential success of Kai Medical Laboratory, Sun Valley's franchise model; launch of new healthcare centers and the occurrence thereof; that the Company can bring healthcare to millions of Canadians; that new healthcare services can be added and that the Company will be positioned to be a market-leading service provider for complex patient requirements in 2020 and beyond. Such statements are only projections, are based on assumptions known to management at this time, and are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the forward-looking statements, including: that Kai Medical Laboratory will successfully win any US Government RFP; that the MedX Health pilot program will be successful; that Empower will place the MedX Health teledermatology product in health centers in North America; that the Company's products may not work as expected; that the Company may not be able to expand COVID-19 testing; that legislative changes may have an adverse effect on the Company's business and product development; that the Company may not be able to obtain adequate financing to pursue its business plan; that the Company will be able to commence and/or complete build-outs and tenants improvements for Canadian clinics or Kai Medical Laboratory expansion in 2Q 2021; that general business, economic, competitive, political and social uncertainties; failure to obtain any necessary approvals in connection with the proposed transaction; and other factors beyond the Company's control. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. Readers are cautioned not to place undue reliance on the forward-looking statements in this release, which are qualified in their

entirety by these cautionary statements. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements in this release, whether as a result of new information, future events or otherwise, except as expressly required by applicable laws.
