EMPOWER CLINICS RECEIVES DIAGNOSTIC ACCREDITATION PROGRAM (DAP) CERTIFICATION

Credential provides formal recognition that COVID-19 testing sites meets industry best practices

VANCOUVER, B.C.: April 8, 2022 - EMPOWER CLINICS INC

(CSE:CBDT)(Frankfurt:8EC)(OTCQB:EPWCF) ("Empower" or the "Company") an integrated healthcare company - serving patients through medical centers, telemedicine platforms, a medical device company, and a high complexity medical diagnostics laboratory – announced today that all three of its COVID-19 testing sites – located at Port of Vancouver, Canada Place and Fairmont Waterfront Hotel – received DAP certification.

The College of Physicians and Surgeons of British Columbia is a regulatory college which regulates the practice of medicine in British Columbia. All COVID-19 testing in British Columbia requires accreditation by the College's Diagnostic Accreditation Program (DAP). The Public Health Officer, Dr. Bonnie Henry, clarified on March 16, 2021, that any site, laboratory, or company that charges for point of care (POC) testing for COVID-19 is required to receive full independent accreditation through the DAP. As per the College Bylaws, a registrant may not utilize or practice in a diagnostic facility in BC unless that facility is accredited.

"DAP accreditation is a confirmation of Empower's quality, competence and safety as recognized by a medical standards body," stated Steven McAuley, Chairman and CEO of Empower Clinics. "We now have three of the largest, modern and convenient COVID-19 testing sites in the heart of Canada Place in downtown Vancouver. We are well positioned to serve patients in advance of a busy cruise, convention and tourist season for our beautiful city."

Canada Place is part of downtown Vancouver's main convention center area and where most of Vancouver's visiting cruise ships come to dock. It has become a national icon and a hub of activity on Vancouver's waterfront.

Passengers can visit <u>https://www.empowerclinics.com/covid-19-testing/</u> to book COVID-19 testing solutions that include Rapid Antigen and Rapid PCR (RT-Lamp) tests offered at Empower's clinic located in the Fairmont Waterfront Hotel – adjacent to the port terminal at Canada Place or virtually via telehealth.
