

Empower Clinics Provides Bi-Weekly MCTO Update

VANCOUVER, BC / ACCESSWIRE / May 30, 2022 / Empower Clinics Inc. (CSE:CBDT) (Frankfurt:8EC) (OTCQB:EPWCF) (the "Company" or "Empower") is providing an update with respect to its previously announced management cease trade order (the "MCTO") issued by the British Columbia Securities Commission on May 3, 2022.

The MCTO was issued in connection with the delay by the Company in filing its annual financial statements, management's discussion and analysis and related officer certifications for the financial year ended December 31, 2021 (collectively, the "Required Filings") before the prescribed deadline of May 2, 2022.

As a consequence of the delay in the audit, the Company also announces that its interim financial statements, management's discussion and analysis and related officer certifications for the period ended March 31, 2022 (collectively, the "Interim Filings"), will not be filed by the required filing deadline of May 30, 2022.

The Company's staff and accounting firm is working diligently with its auditors. The Company expects to have the audit of the Required Filings completed, and the Required Filings and Interim Financial Documents filed, no later than June 30, 2022. The Corporation anticipates filing the Interim Filings forthwith upon filing the Required Filings.

The Company is providing this status update in accordance with National Policy 12-203 Management Cease Trade Orders ("NP 12-203"). The Company intends to follow the provisions of the Alternative Information Guidelines set out in NP 12-203, including the issuance of bi-weekly default status reports in the form of news releases. The Company confirms as of the date of this news release that there has been no material change in the information contained in the default announcement issued on May 3, 2022 and there is no other material information concerning the affairs of the Company that has not been generally disclosed.
