

Pure Extracts Submits Application to Health Canada for Sales License

Vancouver, B.C., February 23, 2021 (GLOBE NEWSWIRE) – Pure Extracts Technologies Corp. (CSE: PULL) (OTC: PRXTF) (XFRA: A2QJAJ) (“Pure Extracts” or the “Company”), a plant-based extraction company focused on cannabis, hemp, functional mushrooms and the rapidly emerging psychedelic sector, is pleased to announce that its wholly owned subsidiary, Pure Extracts Manufacturing Corp., has submitted an application to Health Canada to amend its license to permit the sale of cannabis extract products to provincially authorized distributors and retailers nationwide.

The Company recently announced a distribution agreement with large Canadian Licensed Producer to distribute Pure Extracts’ vape and edible products through their established provincial distribution channels and thus, Pure Extracts expects to have significant sales momentum for its ‘Pure Pulls’ and ‘Pure Chews’ branded products by the time the Company receives its sales licence amendment from Health Canada.

Pure Extracts is continuing to develop its portfolio of cannabis 2.0 products with emphasis on its 34 proprietary formulations of ‘Pure Pulls’ branded full spectrum oil (FSO) vape products and on its new line of ‘Pure Chews’ edible gummies being produced under licence from Taste-T, LLC, the manufacturer of Fireball cannabis gummies.

Pure Extracts CEO, Ben Nikolaevsky, remarked, “This milestone dovetails perfectly with our recently signed distribution agreement; we have all our bases covered now and we will quickly and efficiently get our vape and edible products to retail buyers across Canada .”
