

Pure Extracts Ships Initial Vape Cartridge Order to the Ontario Cannabis Store

Vancouver, B.C., September 8, 2021 (GLOBE NEWSWIRE) – Pure Extracts Technologies Corp. (CSE: PULL) (OTC: PRXTF) (XFRA: A2QJAJ) (“Pure Extracts” or the “Company”), a plant-based extraction company focused on cannabis, hemp, functional mushrooms and the rapidly emerging psychedelic sector, is pleased to announce that its wholly-owned subsidiary, Pure Extracts Manufacturing Corp., has shipped its initial order via its distribution partner to the Ontario Cannabis Store (OCS), establishing the Company’s presence in Eastern Canada. Pure Extracts’ Pure Pulls CBD vape cartridges will soon be available for purchase through the OCS’ online store and through licensed, private retailers throughout the province.

The shipment is for 1 gram, full spectrum oil (FSO), CBD vape cartridges. This product has been created by Pure Extracts from its IP consisting of 30+ proprietary formulations and has been optimized to perform flawlessly with the hardware chosen by the Company. With a trend towards larger cartridges as consumer preferences mature, demand for Pure Extracts’ Pure Pulls branded vape carts is strong within the provincial markets as this product also offers exceptional value to the consumer while generating high margins for the Company.

Pure Extracts’ CEO, Ben Nikolaevsky, remarked, “We are excited about selling our proprietary Pure Pulls 1 gram vape brand in Ontario, the largest provincial cannabis market in Canada. This marks another successful milestone in our country-wide rollout.”

About Pure Extracts Technologies Corp. (CSE: PULL) (OTC: PRXTF) (XFRA: A2QJAJ)

Pure Extracts features an all-new, state-of-the-art processing facility located just 20 minutes north of world-famous Whistler, British Columbia. The bespoke facility has been constructed to European Union GMP standards aiming towards export sales of products and formulations, including those currently restricted in Canada, into European jurisdictions where they are legally available. Pure Extracts was granted its Standard Processing License by Health Canada under the Cannabis Act on September 25, 2020, and its Sales Amendment on July 19, 2021. The Company’s stock began trading on the Canadian Securities Exchange (CSE) on November 5, 2020.

This news release contains forward-looking statements relating to the future operations of Pure Extracts,

and the other statements are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding the future plans and objectives of Pure Extracts', are forward-looking statements and involve risks and uncertainties. A number of factors could cause actual events, performance or results to differ materially from what is projected in forward looking statements. Although we believe that the assumptions underlying these statements are reasonable, they may prove to be incorrect, and we cannot assure that actual results will be consistent with these forward-looking statements. Given these risks, uncertainties and assumptions, investors should not place undue reliance on these forward-looking statements. Whether actual results, performance or achievements will conform to the Company's expectations and predictions is subject to a number of known and unknown risks, uncertainties, assumptions and other factors, including those listed under "Risk Factors" in the Company's Annual Information Form. The Company does not undertake to update any forward-looking information, except as, and to the extent required by, applicable securities laws.

This news release contains information about potential sales revenue from supply agreements, which may be considered as disclosure of financial outlook under applicable securities laws. Such information is subject to the same assumptions, risk factors, limitations, and qualifications as set forth in the above paragraph. Specifically, estimated sales revenue which may be derived from supply contracts has been calculated based on current wholesale prices and assume, among other things, that the Company will be able to find buyers for its products. Financial outlook contained in this news release was made by management as of the date of this news release and was provided for the purpose of providing readers with an understanding of the potential revenue which may be derived from supply agreement recently entered into by the Company, and are not an estimate of profitability or any other measure of financial performance. Readers are cautioned that the financial outlook contained in this document should not be used for purposes other than for which it is disclosed herein.

The CSE has neither approved nor disapproved the contents of this press release.
