

## **Pure Extracts Ships Initial Order of Edible Gummies to Alberta**

**Vancouver, B.C., September 16, 2021 (GLOBE NEWSWIRE) – Pure Extracts Technologies Corp.** (CSE: PULL) (OTC: PRXTF) (XFRA: A2QJAJ) (“Pure Extracts” or the “Company”), a plant-based extraction company focused on cannabis, hemp, functional mushrooms and the rapidly emerging psychedelic sector, is pleased to announce that its wholly owned subsidiary, Pure Extracts Manufacturing Corp., has shipped its initial order of edible gummies via its distribution partner to Alberta Gaming, Liquor & Cannabis (AGLC).

The shipment includes both Pure Chews THC gummies as well as Pure Chews ultra-high potency CBD gummies. Flavours include Fire Burst, Mango, Strawberry and Blue Raspberry. All the Company’s SKUs utilize a proprietary manufacturing system licensed from US based Taste-T, LLC, the manufacturer of the successful Fireball Cinnamon gummies, to produce and package branded gummies that come in unique blister packaging offering convenience and guaranteeing freshness. We anticipate that Fire Burst, like it’s US counterpart, will be one of the top selling gummies in the Canadian market.

Pure Extracts CEO, Ben Nikolaevsky, remarked, “We are excited to have shipped our first gummie order to the Province of Alberta and are looking forward to a successful long-term relationship with AGLC that leads to a satisfied customer base and a significant contribution to our annual revenue. We have created the high-quality products that consumers now demand and believe that we will quickly build brand loyalty with both legacy and new entrants in the edible space.”

### **About Pure Extracts** (CSE: PULL) (OTC: PRXTF) (XFRA: A2QJAJ)

Pure Extracts Technology Corp. features an all-new, state-of-the-art processing facility located just 20 minutes north of world-famous Whistler, British Columbia. The bespoke facility has been constructed to European Union GMP standards aiming towards export sales of products and formulations, including those currently restricted in Canada, into European jurisdictions where they are legally available. Pure Extracts was granted its Standard Processing License by Health Canada under the Cannabis Act on September 25, 2020, and its Sales Amendment on July 19, 2021. The Company’s stock began trading on the Canadian Securities Exchange (CSE) on November 5, 2020.

This news release contains forward-looking statements relating to the future operations of Pure Extracts, and the other statements are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding the future plans and objectives of Pure Extracts', are forward-looking statements and involve risks and uncertainties. A number of factors could cause actual events, performance or results to differ materially from what is projected in forward looking statements. Although we believe that the assumptions underlying these statements are reasonable, they may prove to be incorrect, and we cannot assure that actual results will be consistent with these forward-looking statements. Given these risks, uncertainties and assumptions, investors should not place undue reliance on these forward-looking statements. Whether actual results, performance or achievements will conform to the Company's expectations and predictions is subject to a number of known and unknown risks, uncertainties, assumptions and other factors, including those listed under "Risk Factors" in the Company's Annual Information Form. The Company does not undertake to update any forward-looking information, except as, and to the extent required by, applicable securities laws.

This news release contains information about potential sales revenue from supply agreements, which may be considered as disclosure of financial outlook under applicable securities laws. Such information is subject to the same assumptions, risk factors, limitations, and qualifications as set forth in the above paragraph. Specifically, estimated sales revenue which may be derived from supply contracts has been calculated based on current wholesale prices and assume, among other things, that the Company will be able to find buyers for its products. Financial outlook contained in this news release was made by management as of the date of this news release and was provided for the purpose of providing readers with an understanding of the potential revenue which may be derived from supply agreement recently entered into by the Company, and are not an estimate of profitability or any other measure of financial performance. Readers are cautioned that the financial outlook contained in this document should not be used for purposes other than for which it is disclosed herein.
