

## **Pure Extracts Reaches Production Milestone of 2,200 lbs of Cannabis and 3,300 lbs of Hemp**

**Vancouver, B.C., November 18, 2021 (GLOBE NEWSWIRE) – Pure Extracts Technologies Corp.** (CSE: PULL) (OTC: PRXTF) (XFRA: A2QJAJ) (“Pure Extracts” or the “Company”), a plant-based extraction company focused on cannabis, hemp, functional mushrooms and the rapidly emerging psychedelic sector, is pleased to announce that its wholly owned subsidiary, Pure Extracts Manufacturing Corp., has now processed over 2,200 lbs of cannabis dry flower and over 3,300 lbs of hemp biomass using its state-of-the-art CO<sub>2</sub> and Co-Solvent Injection extraction systems.

The bulk of the extracted oil has been used in the Company’s branded products, especially for its popular 1 gram vape carts which retail for \$39.99 as well as for its white label customers. We currently have 24 SKUs listed across 4 provinces (British Columbia, Alberta, Saskatchewan and Ontario) in the recreational cannabis space and 9 SKUs in the medical cannabis space. To-date, we have manufactured approximately 50,000 vape carts and approximately 100,000 gummie packs.

Pure Pulls branded line of full spectrum oil (FSO) THC and CBD vape products and our unique, blister-packaged gummie products, including our high potency 100 mg CBD Pure Chews, continue to receive a strong reception from the marketplace with re-orders increasing in frequency.

Pure Extracts’ CEO, Ben Nikolaevsky, commented, “We are pleased to have reached this extraction processing milestone and proud of the quality we have achieved and maintained. Our reputation as a reliable producer of high-quality cannabis products is constantly growing.”

### **ON BEHALF OF THE BOARD**

**About Pure Extracts** (CSE: PULL) (OTC: PRXTF) (XFRA: A2QJAJ)

Pure Extracts Technology Corp. features an all-new, state-of-the-art processing facility located just 20 minutes north of world-famous Whistler, British Columbia. The bespoke facility has been constructed to European Union GMP standards aiming towards export sales of products and formulations, including those currently restricted in Canada, into European jurisdictions where they are legally available. Pure Extracts was granted its Standard Processing License by Health Canada under the Cannabis Act on September 25, 2020, and its Sales Amendment on July 19, 2021. The Company’s stock began trading on the Canadian Securities Exchange (CSE) on November 5, 2020.

This news release contains forward-looking statements relating to the future operations of Pure Extracts, and the other statements are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding the future plans and objectives of Pure Extracts', are forward-looking statements and involve risks and uncertainties. A number of factors could cause actual events, performance or results to differ materially from what is projected in forward looking statements. Although we believe that the assumptions underlying these statements are reasonable, they may prove to be incorrect, and we cannot assure that actual results will be consistent with these forward-looking statements. Given these risks, uncertainties and assumptions, investors should not place undue reliance on these forward-looking statements. Whether actual results, performance or achievements will conform to the Company's expectations and predictions is subject to a number of known and unknown risks, uncertainties, assumptions and other factors, including those listed under "Risk Factors" in the Company's Annual Information Form. The Company does not undertake to update any forward-looking information, except as, and to the extent required by, applicable securities laws.

This news release contains information about potential sales revenue from supply agreements, which may be considered as disclosure of financial outlook under applicable securities laws. Such information is subject to the same assumptions, risk factors, limitations, and qualifications as set forth in the above paragraph. Specifically, estimated sales revenue which may be derived from supply contracts has been calculated based on current wholesale prices and assume, among other things, that the Company will be able to find buyers for its products. The financial outlook contained in this news release was made by management as of the date of this news release and was provided for the purpose of providing readers with an understanding of the potential revenue which may be derived from any agreements recently entered into by the Company, and are not an estimate of profitability or any other measure of financial performance. Readers are cautioned that the financial outlook contained in this document should not be used for purposes other than for which it is disclosed herein.
